

WENDY WU TOURS

Tour Dossier

WONDERS OF CHINA

This document was designed to be read in conjunction with our other pre-departure information provided after you have made a booking with Wendy Wu Tours. It aims to provide a straightforward description of the physical activities involved in sightseeing or travelling during the tour. All passengers should read this dossier to confirm their ability to complete the tour. This is not your final Itinerary and therefore does not mention all the sites visited.

Tour grade - Comfortable paced tour

This is defined in our brochure as the following: "Whilst you will encounter walking and climbing of steps during the tour, these programs are comfortably operated to appeal to most people. Generally these tours are shorter in duration and visit the mainstream tourist attractions."

This is the easiest pace of tour which Wendy Wu Tours offers in China. Anyone with a reasonable level of fitness should be able to complete this itinerary. Of course our local guides always endeavour to provide the highest level of service and assistance, but they cannot be expected to cater for passengers who are unfit to complete the itinerary. The more difficult aspects of this itinerary involve the sightseeing along the Yangtze River and at areas of high altitude. Please refer to Your Travel Guide's TRANSPORT sections for further information.

Group size

In most cases, the group will operate with a minimum of 10 and a maximum of 28 passengers.

Itinerary changes

1. Order of events and sightseeing may vary according to local conditions.
2. The Hall of Supreme Harmony within the Forbidden City complex in Beijing has recently undergone comprehensive restoration work.
3. Yangtze River. Please note that all sections of the itinerary for the Yangtze River Cruise are especially subject to change. The movement of each vessel along the Yangtze is regulated by the Government's Yangtze River Authority (YRA). The river's rapid flow, the narrowness of her gorges and the recent increase in numbers of passengers means that the timetables are under some pressure. The YRA

allocates times for access to mooring points, dis/embarkation docks and passage through the gorges. This means that the captain of each cruise ship is unable to confirm a final itinerary until shortly before departure (usually 24hrs prior). This can affect both the time and location where you dis/embark your cruise ship. Your National Escort or Local Guide will explain any such changes to you as soon as they are informed by the cruise operator.

Tipping

If there are less than 10 people in your group, please allow NZD\$130 each, if there are more than 10, please allow NZD\$100 each for tipping.

NB: Times and distances listed in this section are approximations only.

Day 1-2: New Zealand/Beijing. Your flight will arrive early this morning and you will be met at Beijing airport in the arrivals hall by your Local Guide and/or National Escort from Wendy Wu Tours. Together with all other group members who may be arriving at a similar time, you will transfer (1 hr drive) to your hotel. For those interested there will be an afternoon option to visit the Temple of Sun Park (Ritan), where you will encounter picturesque scenery. A tour introduction will be held in the hotel either this evening or the next. There will not be food or drinks served at this meeting; it is simply an opportunity for your group to meet and learn more about travelling in China.

Day 3: Beijing. Sightseeing in central Beijing involves 3 to 4 hrs on foot during the morning to see Tiananmen Square and the Forbidden City. Visiting Mao's Mausoleum is subject to the length of the queue, as so many domestic tourists visit every day. Afterwards we visit the Temple of

Heaven, which involves approx 2 hrs on foot.

Day 4: Beijing. We have an early rise this morning to drive 1 ½ hrs (50km) northwest of the city to the Juyongguan Pass section of the Great Wall. The aim of this is to avoid the crowds of tourists who will arrive later in the morning, and the heat of the day. Visiting the Wall involves walking from the bus to the first section. After your group has been given an introduction to the Great Wall's unique history you will have free time to explore the rest at your own pace. Then drive 1hr to the Summer Palace in the north of the city. The palace is set over an extensive park and man-made lake complex and there is 2 to 3 hrs on foot involved at this site.

Day 5: Beijing/Xian. Transfer (1hr drive) to the airport to catch flight to Xian (duration 1hr 50mins). As we will arrive before rooms are likely to be available, we will visit the Shaanxi Provincial Museum before checking into the hotel.

Day 6: Xian. The Museum of the Terracotta Warriors is located more than 1 hrs drive outside of Xian. From the bus park to the Museum entrance is a 15 minute walk. There are electric carts offered by private vendors which can be organised at your own cost. There is no electric cart available for the return from Museum exit to Bus Park. Within the Museum area the warriors can be seen in 3 different "pits", which are active archaeological digs. The site is large and, towards the summer months, can be hot outside. Sightseeing here involves 2½ hrs on foot. This afternoon we visit the City Walls. The Local Guide will give you time to explore at your own pace. There are options here to hire a bicycle or an electric cart to drive along the length of the walls. These are offered

by private vendors and can be organised at your own cost. Beware of your valuables while in the Muslim Quarter's alley market stalls.

Day 7: Xian/Wuhan. Sightseeing at the Little Wild Goose Pagoda; involving 1hr on foot, before our morning flight to Wuhan (1hr 15mins duration). Then transfer (4 to 5 hrs drive) from Wuhan airport to the docks, located downstream from the Three Gorges Dam. Board the ship and check-in to your cabin for the next 4 nights.

[NB: The Yangtze section of your itinerary, from Day 9 to 13 will not be confirmed until after you commence your tour. Your Local Guide will do his/her utmost to keep you informed of all changes but cannot guarantee against delays or – in rare cases – cancellations of sections of your itinerary. Please refer to Your Travel Guide for further information.]

Here is a rough guideline to the cruise schedule:

2nd night on board with Captain's Welcome Dinner.

Day 9: Yangtze River Cruise

Cruise through the Wu Gorge.

Today, you will visit either the Lesser Three Gorges OR Shennong Stream.

Shore excursion at Lesser Three Gorges (2-3 hrs off ship):

Transfer between the ship and small ferry at Wushan, then travel up the Daning River to see the remains of an ancient plank walkway and suspended coffin and enjoy the undisturbed natural scenery.

Shore excursion at the Shennong Stream (3 hrs off ship):

Transfer between the ship and small ferry, to travel further up the Shenglong tributary approx 20 mins. Then transfer from the ferry onto the

small peapod rowboats, to experience the tradition of the 'boatmen' or 'trackers'.

3rd night on board.

Day 10: Yangtze River Cruise

Cruise through the Qutang Gorge.

Today, you will visit either Shibaozhai Temple on the south bank, OR Fengdu on the north bank.

Shore excursion to Shibaozhai Temple (2 hrs off ship):

This small temple was built at the top of a 9 storey pavilion clinging to the sheer south bank near Qutang Gorge. Disembark from ship to dock close to the pavilion's entrance. Sightseeing here involves climbing the 9 storeys inside the building.

Shore excursion to Fengdu "Ghost City" (2 hrs off ship):

The town of Fengdu was relocated across to the south bank for the Three Gorges Dam Project. The Fengdu "Ghost City" Temple lies on the steep hill above the demolished town. Disembark via a pontoon and walkway. There is a chairlift (at your own cost) which takes you up to the base of the temple complex.

4th night on board with Captain's Farewell Dinner.

Day 11: Chongqing/Guilin.

Check out of cabins/ship early this morning and disembark from ship in Chongqing. Visit Chongqing Zoo's new Panda House. Then transfer directly to the airport to catch early evening flight to Guilin (flight duration 1hr). Check-in for an overnight stay.

Day 12: Li River Cruise/Yangshuo.

[NB: You will be staying in Yangshuo for a single night before returning to Guilin. We recommend you leave your main luggage in safe storage at our hotel in Guilin; taking only a small, overnight style bag with you for Days 12 and 13.]

We take a 3 hr cruise from Guilin to the small town of Yangshuo. A simple meal will be served onboard (usually before midday at "Chinese lunch time"). These are small cruise boats, usually holding approx 100 passengers; with an enclosed dining area on lower deck and an open viewing area on upper deck. As it is so popular, there are generally many boats at the docks –

please be reassured that the cruise itself will be scenic and relaxing as the boats cruise past unspoilt countryside. Usually the boats depart at 9am, from a dock 1 hrs drive from your hotel. However when the river level is low they depart from further downstream which would mean a longer drive and an earlier check-out from your hotel. Disembarking from the cruise, your Local Guide will walk with you to your hotel, approx 15 mins walk from the river. There are electric carts offered by private vendors which can be organised at your own cost.

Day 13: Yangshuo/Guilin. The drive back to Guilin takes 1 hr (65km). At the Reed Flute Caves you will take short walk through the caves. It usually takes about an hr to complete the route, and is very cool inside.

Day 14: Guilin/Shanghai. Transfer to airport for your flight to Shanghai (flight duration 2hrs). Easy sightseeing this afternoon involves 2 hrs on foot.

Day 15: Shanghai. Full day of sightseeing around the central city involving 3 to 4 hrs on foot. Beware of your valuables while in the Old Town (Yuan Bazaar) as it is very crowded.

Day 16: Depart Shanghai. Any time before your flight is at leisure. You will be transferred from the hotel to the airport, according to the departure time of your international flight.

Day 17: New Zealand. Arrive home.
