TRAVEL INFORMATION

VISAS:

Visas are not required for New Zealand passport holders for entry into Japan for stays of up to 90 days. Please be advised that your passport must have at least six months validity left on it when you arrive back in New Zealand.

At the time of booking Visa conditions may have changed, currently no visa is required for New Zealand Passport holders. Your travel consultant will inform you if any changes are applicable prior to your departure.

INSURANCE:

It is a condition of your booking that you are insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. At a minimum, the policy is required to cover medical requirements including medical evacuations / repatriations. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

We may request you to provide evidence that you have taken out and paid for a policy to comply with this condition. If you fail to provide a certificate of currency of insurance within a reasonable time after our request, then this will be deemed a cancellation by you and standard cancellation fees will apply.

LAND TOURING GROUP SIZE:

Most of our groups consist of 10 travellers or more and will be accompanied by National Escorts. There will usually be no more than 28 travellers in each group although you may encounter other Wendy Wu tour groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 10 travellers booked (unless cancelled due to factors beyond our control). National Escorts will accompany each group of 10 or more for the land portion. However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so.

AIRPORT TRANSFERS:

As we offer our customers a variety of airlines to suit your needs, passengers will arrive/depart at various times during the day. Depending on the number of customers arriving/departing on the same flight as yourself, the type of transfer to your hotel/airport will vary.

You will always be met on arrival by English-speaking staff and transferred to your hotel either by:

- Direct shared bus (shared with other passengers, not just Wendy Wu Tours clients)
- Shared bus plus taxi from the nearest bus stop to the hotel (maximum 5-minute walk)
- Chartered coach (if there are more than 8 Wendy Wu Tours passengers arriving at the same time)

On the departure day, all passengers will be met by English-speaking staff at the hotel and transferred by one of the three ways above. For those passengers using a shared bus or shared bus plus taxi to the airport, the guide services end when they drop you off at the bus stop, and you will need to check in at the airport on your own. If you have paid extra for a private transfer, the above does not apply.

You will meet your National Escorts at the welcome dinner or, if arriving late, the following morning after breakfast at the welcome meeting.

Please ensure your Wendy Wu Tours luggage tag is visible on your suitcase/hand luggage, as this may also assist your guide in identifying you. If at any stage you are unable to locate your representative, please contact our Japan ground operator on the number included in your final documents.

LAND TRANSPORT:

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside, and longer transfers where necessary. Roads in South Korea and Japan are extremely well-maintained and are comparatively smooth compared with the rest of Asia. Coaches and minibuses do not have onboard toilet facilities; however, frequent bathroom stops are made for passengers' comfort.

Bullet trains: Second-class reserved seats are booked for our groups on bullet trains in Japan. There are toilet facilities on board these trains. Due to the limited space on bullet trains in Japan, a separate luggage transfer service will be arranged for all suitcases (1 case per person).

LAND ACCOMMODATION:

Accommodation is selected for its convenience, comfort, or character, ranging from business hotels in cities to family-run guesthouses in smaller towns. In more remote areas, standards may be lower, and facilities might not include all Western amenities. Hotels are generally rated 3-4 stars locally, but please note that there is no international classification system, so standards may differ between New Zealand and South Korea/Japan.

In South Korea, some hotels have hot water restrictions, usually available only in the morning and evening. Hotels often do not have porters, so you will be expected to carry your luggage. If you need assistance, please speak with your National Escort or local guide.

In Japan, hotel rooms and bathrooms are typically small. Standard single rooms are smaller than double or twin rooms, featuring a small double bed (or single bed) for one person. All group tour hotels have private Western-style bathrooms, air-conditioning, TV, and telephone. In the Fuji area of Japan, hotels are often traditional in style. You may be asked to remove your shoes at the door and store them in a secure locker - this is a typical Japanese custom.

Rest assured, all hotels used by Wendy Wu Tours are regularly inspected to meet our standards and ensure your comfort.

DEVELOPMENT IN JAPAN:

Japan is a highly developed country and as such matches the West in modernity and technological advances. It is also an extremely safe country and takes great responsibility in maintaining high safety standards.

WEATHER:

Japan experiences distinct four-season climates, offering a wide range of weather conditions throughout the year. Japan's climate varies by region, but generally includes hot, humid summers from June to September and cold winters with snowfall in northern areas like Hokkaido. Spring (March to May) and autumn (September to November) are particularly popular for their mild temperatures, cherry blossoms, and vibrant fall foliage.

APPROPRIATE DRESS LAND TOURING:

When traveling to Japan, pack for their varied four-season climates. In spring and autumn, bring lightweight layers like cotton shirts, cardigans, and jackets. For summer, choose breathable, moisture-wicking fabrics in light colours, and pack a hat and sunscreen for sun protection. Winters can be cold, especially in northern Japan, so pack warm clothing, including coats, thermals, scarves, and gloves. For city exploration, casual yet neat attire is ideal, particularly when visiting cultural or religious sites where modesty is appreciated. Comfortable walking shoes are essential for urban areas like Tokyo. For outdoor activities, bring sturdy footwear and weather-appropriate outerwear.

An umbrella or lightweight waterproof jacket is advisable during the summer rainy season. Don't forget a camera or smartphone with extra storage and chargers. Include a small medical kit with basic first aid supplies and any personal medications. Whether visiting temples, soaking in an onsen, or enjoying local cuisine, you'll be prepared for an unforgettable experience.

LUGGAGE:

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable.

On your cruise: While luggage allowance on your cruise may permit further capacity, we ask you to adhere to the above restrictions due to airline and touring requirements.

Suitcases should be tagged, and luggage tags can be accessed electronically through your OceanReady® account, with multiple tags available for printing. For your convenience, we recommend placing the luggage tags on your bags prior to arrival at the port. If printing is not possible, tags will be available at the cruise terminal. Please ensure that your stateroom number and room location, as reflected in your OceanReady® account, are clearly noted on each tag.

It may take a few hours after embarkation for your luggage to be delivered to your stateroom. Likewise, suitcases are collected on the last night of your cruise. To avoid any complications, be sure to bring a small bag such as a backpack for carrying any necessary medication, valuables, important documents and need-to-have items.

MONEY & PERSONAL EXPENSES ON LAND:

You will need to take some extra money to cover drinks, laundry, and souvenirs, plus any additional sightseeing that may be offered to you on land. It is highly recommended that extra care and attention is paid when exchanging money when travelling to cities outside of Tokyo. We suggest exchanging your money before travelling to smaller towns, as exchange facilities can be very limited. Your National Escorts or local guides will remind you to do this before departure.

MEALS AND DIETARY INFORMATION

On this tour, you will have the opportunity to experience a wide variety of dining options, reflecting the diverse cuisines of the destinations you will visit. We recommend that when it comes to Japanese food, you stay open minded, try to be adventurous and always have a go with the chopsticks!

Japanese cuisine is fresh, balanced, and beautifully presented. Typical meals include rice, miso soup, pickled vegetables, fish, and meat, along with traditional noodles such as soba and udon. Food is a key part of Japanese culture, with meals often enjoyed communally. While most food is eaten with chopsticks, some restaurants may offer Western cutlery. Breakfasts are usually buffet-

style, with a combination of Japanese and Western items, though set menus may occasionally be offered. Lunches are often pre-arranged set menus reflecting local tastes, and dinners are typically buffet-style with a variety of Asian and Western dishes. These meals are selected in advance to offer variety, convenience, and the chance to experience the diverse flavours of Japan. Please note that on some days, dinner may be scheduled earlier than usual and the group may proceed directly from sightseeing to the restaurant without returning to the hotel first.

Cruise dining: While on board Sapphire Princess, you'll enjoy flexible dining across a wide range of included venues serving international cuisine with no fixed seating or set dining times. Complimentary restaurants include the main dining rooms and the World Fresh Marketplace, offering a variety of freshly prepared dishes from around the world. As part of Princess Plus, guests can also enjoy numbered access to several Casual Dining venues, along with complimentary room service and OceanNow delivery, allowing you to dine anywhere on board. Specialty restaurants offering fine dining experiences are available for an additional charge.

Dietary Requirements: If you have dietary requirements, please inform us before your tour starts. Our guides will make every effort to accommodate requests such as vegetarian, vegan, gluten-free, or other dietary needs. However, it's important to note that in some remote areas, dining options may be more limited, and certain dietary requests may be harder to fulfil. Additionally, some local dishes are traditionally cooked using animal fats, broths, or sauces, which may not always be easily adapted to suit certain dietary needs.

While on the cruise, the ship's restaurants are well-equipped to cater to a wide range of dietary requirements, though it is still recommended to notify the cruise line of any specific needs in advance. During shore excursions, dining options may vary, and local food establishments may have limited capacity to meet special dietary requests.

For travellers with food intolerances or strict dietary needs, we recommend bringing snacks or suitable food items to supplement meals, particularly when exploring remote areas or during long excursions. Your patience and understanding are appreciated, as local suppliers may not always be able to provide the same level of accommodation as you might expect at home. However, we aim to ensure you have an enjoyable and authentic culinary experience throughout your journey.

PLEASE INFORM US OF ANY ALLERGIES AND/OR SPECIAL DIETARY REQUIREMENTS AT TIME OF BOOKING.

CULTURAL DIFFERENCE:

Japanese society and culture are built on intricate social etiquette and customs. As foreigners, we are not expected to be knowledgeable about all etiquette, but it will make your time in Japan more enjoyable if you are respectful of local customs. Some examples of scenarios you may encounter include removing your shoes and hats when entering a temple or house (some restaurants as well). You may be supplied with slippers at some places, but please come prepared with plenty of spare socks, and shoes that are easy to take off for the fairly regular occasions when they must be removed. Your National Escort or local guides will advise you of some of these other customs at the beginning of your tour in each country.

PUBLIC HOLIDAYS:

If you are travelling within the below Public Holidays, please note that celebrations can last several days and during these times some businesses will be closed. Coach, air and train travel may also be affected. Tourist attractions will likely be open; but may be crowded.

Japan:

- **Showa Day:** 29th April (annually)
- **Golden Week public holidays:** End of April to the beginning of May (annually)
- **Constitution Memorial Day:** 3rd May (annually)
- **Emperor's Birthday:** 23rd February (annually)

SOUVENIRS:

We want to be able to give you an opportunity to buy souvenirs, so we include some stops at museums or exhibitions which demonstrate a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone, so we aim to take you to places, which hold local interest. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

OPTIONAL ACTIVITIES PRE AND POST CRUISE:

Our fully-inclusive Classic tours, while on land, feature full days of sightseeing to ensure you experience all the must-see sights and unforgettable moments. Occasionally, when time allows, we offer optional extras such as evening shows for those seeking extra excitement. These excursions will be advised and paid for locally through your guide.

TIPPING / GRATUITIES:

Japan: Tipping is not customary and may even be politely declined. However, if you feel you've received exceptional service, offering a tip discreetly at your discretion is acceptable.

Cruise: Your standard cruise gratuities are included in the cost of your tour.

PORTERAGE:

Pre & Post Cruise: Please be aware that porterage is not included on our tours in pre & post cruise. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

Cruise: If you check your luggage with a porter, your checked baggage should be delivered to your stateroom within a few hours of setting sail if tagged properly. When disembarking you will leave your luggage outside your cabin door on the last night of your cruise. Staff will then be able to make arrangements for your luggage, ready for disembarkation early next morning.

TERRAIN CONSIDERATIONS (STEPS, SLOPES & UNEVEN SURFACES):

Sightseeing at nearly all the palaces, fortresses and some temples involves climbing quite a number of steps. These palaces were built to provide defence against potential invaders so nearly all of them stand on top of a hill, while the interiors have layers of narrow hallways and steps to slow down the advance of enemies once they were inside. The steps tend to be quite large, not level and sometimes without handrails.

Buddhist temples or pagodas also tend to be built at an elevation, as this is the most auspicious position according to ancient beliefs. This means you sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside. People with knee or hip injuries who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

CRUISE – SAPPHIRE PRINCESS:

The Sapphire Princess spans 18 decks and offers a wide range of amenities, including a choice of formal, speciality and casual dining venues, along with numerous bars and lounges. The ship features multiple outdoor pools and whirlpools, including the relaxing conservatory-style indoor pool area with a retractable glass roof. Evening performances take place in dedicated entertainment spaces such as the Princess Theatre and Club Fusion, featuring live music, comedy and production shows. Guests can also enjoy culinary demonstrations and wine-tasting experiences, alongside a full-service spa, fitness centre and wellness facilities.

Cruise Dress Code: When cruising with Princess, dress as you would for a stylish land-based resort. Casual sportswear such as shorts, lightweight trousers, sundresses, and short-sleeved shirts will keep you comfortable during the day, whether at sea or ashore in warmer climates. A light jacket, sweater, or all-weather coat is useful for cooler evenings or shore excursions, and a hat, collapsible umbrella, and comfortable walking shoes are recommended.

Princess Cruises has two main evening dress codes: Smart Casual and Formal. When formal nights are held, please observe the dress code in the dining venues for the enjoyment of all our guests. There will be 2 formal nights on your 11 night cruise.

Smart Casual: Guest attire should reflect what you might wear to a nice restaurant at home. Suitable options include skirts, dresses, slacks, blouses, or sweaters for women, and trousers with collared or dress shirts for men. Pool or beach attire, shorts, ball caps, and jeans with fraying or holes are not permitted in dining rooms. Shoes must be worn at all times.

Formal: On designated formal evenings, women are encouraged to wear evening gowns, cocktail dresses, or elegant pant suits, while men should wear tuxedos, dark suits, or dinner jackets with trousers.

Luggage: Suitcases should be tagged, and luggage tags can be accessed electronically through your OceanReady® account, with multiple tags available for printing. For your convenience, we recommend placing the luggage tags on your bags prior to arrival at the port. If printing is not possible, tags will be available at the cruise terminal. Please ensure that your stateroom number and room location, as reflected in your OceanReady® account, are clearly noted on each tag.

It may take a few hours after embarkation for your luggage to be delivered to your stateroom. Likewise, suitcases are collected on the last night of your cruise. To avoid any complications, be sure to bring a small bag such as a backpack for carrying any necessary medication, valuables, important documents and need-to-have items.

CRUISE EMBARKATION & DISEMBARKATION:

Embarkation time is when you should arrive at the cruise terminal. Departure time is when your ship sets sail.

MedallionClass uses a small OceanMedallion device that functions as your digital key and onboard identification. Before travelling, we strongly recommend completing the OceanReady® check-in process through the Princess Cruises App, including uploading passport details and any required travel documentation. Once check-in is completed in the app, a QR-coded boarding pass will be available for use at embarkation. Guests who are unable to complete the check-in process in advance will be directed to the Blue Lane at the port, where Princess staff will assist with the remaining steps and issue the OceanMedallion.

Boarding Time in Ports of Call: In all ports of call, it is the guest's responsibility to be back onboard the ship no later than one hour prior to the ship's scheduled departure time. Please be aware that shipboard time may differ from the time in the port of call and it is the guest's responsibility to follow the shipboard time. In the event a guest misses the ship, it will be the guest's responsibility to pay all expenses incurred to rejoin the ship.

CRUISE ACCOMODATION AND CABINS

At the time of booking, subject to availability you may have the choice to book from an outside cabin or balcony cabin. Should you wish to upgrade to a suite or have a special request for cabin location, please speak to our reservations department who will be able to assist at time of booking.

SHORE EXCURSIONS:

When docked at each port you will have the opportunity to experience shore excursions. Princess Cruises offer a wide array of authentic shore excursions, making it a great way to explore more of each destination. Please note, not all shore excursions will include a guide and shore excursions may be cancelled due to inclement weather conditions or for any other reason at the discretion of Princess Cruises. Any shore excursions will be at your own expense and bookable on your cruise reservation.

VACCINATIONS AND YOUR HEALTH:

We recommend that you contact either your doctor or Health centre for advice on vaccinations and travel health. Safetravel has a comprehensive website that you may also find useful www.safetravel.govt.nz

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.safetravel.govt.nz as in the event of an emergency, New Zealand Consular assistance will be more readily available.

Up until the day you travel, it is vital you keep up to date and familiarised with the entry requirements as these can change at short notice. You are personally responsible for completing any entry forms, conducting any covid tests (if necessary), etc and adhering to countries' specific entry requirements.

You can also access the New Zealand Government's travel advisory service for up-to-date information about your destination on the same website.

AFTER YOUR BOOKING:

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice along with a link to our website where you can find your visa information (if applicable) and other important information. Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure.
