CANADA TRAVEL INFORMATION

VISAS:

New Zealand passport holders are currently permitted entry to Canada without a visa for stays of up to 6 months, but must obtain an eTA (Electronic Travel Authorization) online before departure if arriving by air. The eTA must be completed by each traveller and is not included in the cost of your tour. Wendy Wu Tours can offer general guidance on the application.

Please be advised that your passport must have at least six months validity left on it when you arrive back in New Zealand.

Please note the visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate; Wendy Wu Tours acts as a third party and has no influence on the process of a visa.

GROUP SIZE:

Most of our groups consist of 16 travellers or more and will be accompanied by both a National Escort and local guides. On Classic Flex Tours, there will be no more than 28 travellers in each group although you may encounter other Wendy Wu Tours groups while you are travelling.

EATING IN CANADA:

Canadian cuisine reflects the country's varied landscapes and cultural influences, from fresh seafood on the Atlantic coast to salmon and Pacific seafood in British Columbia. Across the country, you may also encounter regional favourites such as poutine, maple syrup, smoked meats and locally produced cheeses, while dishes often draw influence from French, British and Indigenous traditions.

Breakfasts are generally served buffet-style at hotels, with a choice of cooked and continental options. Lunches may be served at restaurants, cafés or as packed lunches when travelling through more remote areas or on longer touring days. Evening meals are typically served in local restaurants or hotels, with menus offering a mixture of Canadian and international dishes.

Canada is well equipped for a wide range of dietary requirements, although choices can become more limited when travelling through remote areas. If you have specific dietary needs, please let us know when booking so these can be communicated to our local partners in advance.

ACCOMMODATION:

Your accommodation in Canada is carefully selected for its location, comfort and character, with a mixture of well-established hotels, locally owned properties and larger city hotels possibly used throughout your journey.

Accommodation will generally be of a good three- to four-star standard, with some five-star hotels included too. Standards are comparable with those you would expect in New Zealand, although individual properties may vary in style, facilities and size.

All group tour hotels have private Western-style bathroom facilities, air conditioning or heating, a TV and Wi-Fi. In some smaller towns or more remote areas, hotel facilities may be simpler than those found in the major cities, but all properties are selected to provide a comfortable base from which to explore the destination.

If you experience any difficulty during your stay, please speak to your National Escort or Local Guide. All hotels used by Wendy Wu Tours are regularly reviewed by our staff and local partners to ensure they meet our standards.

TRANSPORT:

Rocky Mountaineer: The Rocky Mountaineer is a daylight-only rail journey, allowing you to enjoy views of Canada's mountains, forests and rivers from your seat. You will travel in SilverLeaf Service, with spacious reclining seats in a dedicated carriage and large windows offering panoramic views of the scenery. Breakfast and lunch are served at your seat, with complimentary alcoholic and non-alcoholic drinks available throughout the journey. Luggage is stored separately and delivered to your hotel at the end of each day's journey.

GoldLeaf Service: For an enhanced Rocky Mountaineer experience, you can upgrade to GoldLeaf Service, which includes travel in a bi-level glass-domed carriage, access to an outdoor viewing platform and a dedicated dining area, offering an elevated way to enjoy the journey through the Canadian Rockies. Please contact our Reservations team to book.

Ferries: Ferries are used on selected journeys, including crossings to and from Vancouver Island. Ferries have indoor seating, outdoor viewing areas, cafés and toilets, although facilities vary between services. Vehicle decks are enclosed during the crossing, so passengers will need to leave the coach and travel as foot passengers. Sailing times can vary due to weather, sea conditions and operational requirements.

Coaches: Air-conditioned coaches are used for sightseeing, excursions and longer journeys throughout Canada. Coaches generally have comfortable reclining seats and an onboard toilet, although facilities vary between vehicles. Canada is a vast country and some journeys involve several hours of driving, particularly when travelling between provinces and cities. Journey times are approximate and may be affected by traffic, road conditions, weather and scheduled stops.

TIPPING POLICY:

Tipping while on holiday is common in most parts of the world and Canada is no exception. However, it is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time.

In order to avoid any inconvenience, Wendy Wu Tours operates a tipping policy where a stated amount is given to your National Escort at the beginning of your tour and tips are disbursed to local guides and drivers throughout your tour. The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the National Escort.

We generally find that most customers appreciate the convenience of our tipping policy but we do recognise that it may not suit everyone. However, as this is a group tour we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

INSURANCE:

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance.

We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original.

VACCINATIONS AND YOUR HEALTH:

Wendy Wu does not give specific health advice, but we do recommend you see your doctor at least six weeks prior to travel for advice and to allow time for any necessary vaccinations. Please remember to take your itinerary with you. Safe travel has a comprehensive website that you may also find useful www.safetravel.govt.nz

ITINERARY CHANGES:

It's our intention to adhere to the day-to-day itinerary as printed; however, the order of events or sightseeing may change as we look to improve our tours or as local conditions dictate. In these circumstances we'll make the best possible arrangements maintaining the integrity of your trip.

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.safetravel.govt.nz as in the event of an emergency, New Zealand Consular assistance will be more readily available.

Up until the day you travel, it is vital you keep up to date and familiarised with the entry requirements as these can change at short notice. You are personally responsible for completing any entry forms, conducting any covid tests (if necessary), etc and adhering to countries' specific entry requirements. You can also access the New Zealand Government's travel advisory service for up-to-date information about your destination on the same website.

AFTER YOUR BOOKING:

Once you have booked with Wendy Wu Tours, you will receive an email with your confirmation invoice, along with a link to our website where you can find your visa information (if applicable) and other important information. Your final documentation pack will be sent to you approximately 2 weeks prior to departure.
