PHYSICAL LEVEL 4:

All our tours feature a physical rating to help you select the right holiday for you. To travel on any of our tours requires unaided mobility and the ability to stroll around the sights. Treasures of Turkey is rated as a physical level 4 tour.

A good level of fitness will be required in particular for attending the Anzac Day Dawn Service. There will be several long walks, one of which is approximately 6km with 3km of that uphill on an unpaved road. You will be required to spend some hours at the site during the night before the service starts, sitting on ground and temperatures can be quite cold.

A reasonable level of fitness is required for the rest of the tour, but it's more about spending time on your feet rather than covering large distances. You'll be getting on and off coaches and boats, walking around the sights and climbing some steps.

- There will be sightseeing on foot for both short and extended periods of time
- There are steps, tunnels and narrow passages to navigate at Cappadocia.

Of course, our National Escort and local guides will always endeavour to provide the highest level of service and assistance; however, they cannot be expected to cater for customers who are unfit to complete the itinerary.

DETAILED ITINERARY

Days 1-2: Fly to Istanbul

Meals: D

Fly overnight to Istanbul, the 'city where East meets West'. You will be met on arrival and transferred to your city centre hotel ahead of this evening's welcome dinner and briefing.

Regarded as one of the World's greatest cities, and certainly one of the most influential in the history of the last two millennia, Istanbul (formerly Byzantium and Constantinople) is a melting pot of the old and new: a vibrant, modern metropolis built around a historical heart where Roman, Byzantine and Ottoman treasures compete for the limelight. The setting is equally dramatic: straddling the Bosphorus and flanked by the Golden Horn, the city's imperious skyline is an imposing sight, especially from the water. We have two full days for guided visits to the key sights at the start of the tour, along with a boat trip on the Bosphorus, with a further half day at the end with the chance to explore further either on your own or on one of our optional excursions.

Day 3: In Istanbul

Meals: B, L, D

Explore Istanbul's landmark sites. Visit the remains of the once mighty Hippodrome and marvel at the Blue Mosque's exquisitely tiled walls before continuing to the Hagia Sophia, the crowning achievement of the Byzantine Empire. Discover the mesmeric beauty of Topkapi Palace and its extraordinary treasures, then immerse yourself in the sights and sounds of the Grand Bazaar, one of the largest and oldest covered markets in the world, with a chance to enjoy a traditional Turkish coffee at one of its original coffee shops. Later dine at the atmospheric Cicek Pasaji (Flower Passage) which is a small, covered street of traditional restaurants that serve typical Turkish mezes with raki.

Day 4: In Istanbul

Meals: B, L, D

In the morning explore some of the city's lesser-known locations, a chance to uncover the real beating heart of the city away from its most famous sights. First visit one of Istanbul's hidden gems in the UNESCO-listed Fener and Balat districts. Walk through the colourful, labyrinth-like streets of these historical neighbourhoods, whose rich history dates back to Byzantine times, with Armenian, Jewish and Orthodox influences still present today. You will also visit the Egyptian Bazaar, the second largest covered market in Istanbul and famous for its amazing array of herbs and spices. This is still the best place to buy Turkish delight, dried fruit, exotic spices and herbs. Nearby is Tahtakale, the traditional hardware district, with its beautiful but little-visited 16th-century Rüstem Pasha Mosque.

This afternoon, enjoy a private cruise along the Bosphorus Strait, the waterway that divides Europe and Asia, to witness the city's minaret-studded skyline and its most famous sites from the water, including the dramatic Rumeli Fortress, Dolmabahce Palace and the sultan's former summer residence - Beylerbeyi Palace. Later you have the chance (optional) to experience a traditional Turkish Bath in one of the city's oldest and most prestigious hammams, or if you prefer you can save this for the last afternoon of the tour when you return to Istanbul. In the evening enjoy your dinner at a fish restaurant overlooking the Bosphorus.

Day 5: Via Gallipoli to Canakkale

Meals: B, L, D

After breakfast drive approximately 4 hours to reach the arid hills of the Gallipoli Peninsula. After a short break at the town of Gallipoli, visit the key battlefields and memorials from World War I. These include the Helles Memorial, built to commemorate the 20,956 missing British and Commonwealth soldiers. You will also visit Anzac Cove, where in the early hours of 25th April 1915, the Australia and New Zealand Army Corps (ANZAC) made a landing and set up a base from which the front line was supplied over the next 10 months. You will also explore Shrapnel Valley and the evocative Lone Pine Memorial, on a plateau 120 metres above sea level, from where there are wide-ranging views across the peninsula. Later visit Chunuk Bair Memorial, commemorating the New Zealand dead, then continue to the Gallipoli War Museum and see letters written by soldiers, along with displays of uniforms and armaments used by both sides. Later travel from Europe to Asia across the Dardanelles - either by ferry or across the 1915 Canakkale Bridge, the longest suspension bridge in the world, with a suspended central span of over two kilometres. After checking into the hotel in Canakkale enjoy a complimentary drink as the sun sets across the water - your chance to raise a toast in memory of the 111,000 lives lost (46,000 Allies, 65,000 Turkish) in one of the WWI's bloodiest campaigns.

Day 6: Troy

Meals: B, L, D

After breakfast, discover the fabled UNESCO World Heritage site of Troy, with its multi-layered history and wonderful legends. See the legendary walls of Troy and the replica of the wooden Trojan Horse.

This afternoon will be yours to enjoy free at leisure, returning for dinner at your hotel in Canakkale.

Later in the evening, you will be transferred to the Anzac Commemorative Site which opens to the public at 10.30pm on 24th April.

**Important**

- The weather at Gallipoli can be highly variable and the site is exposed with no permanent shelter. Severe windchill can result in temperatures falling to below freezing overnight on 24 to 25 April. In contrast, you could experience hot temperatures during the following day. On previous Anzac Days, strong winds and heavy rain have been experienced on the site. **You must ensure you come prepared for these conditions.** You will be expected to bring your own mat to sit on and blanket/sleeping bag to cover up when waiting for the dawn service to commence. A warm coat, beanie and gloves would be a good idea.
- You will have to choose between attending either the Australian Memorial Service at Lone Pine Cemetery, or the New Zealand Memorial Service at Chunuk Bair as there won't be enough time to attend both.
- There will be several walks to get between the various ceremony sites, once of which is around 6km over a hilly, unpaved road. Only bring what you can carry as there are no porters or shuttles.
- There will be strong security at the site, similar to airport security and your bags will be checked. You cannot bring your own food and drink into the site but food and drink is available to purchase.
- If for some reason you opt out of the Anzac Day Dawn Service, you will be able to remain at the hotel in Canakkale for the night of the 24th April, however there is no refund for opting out.

Day 7: Anzac Day Dawn Service

Meals: B, L, D

For breakfast today, you will be provided with a breakfast box to take to the Anzac Service.

The pre-service Anzac programme commences at 1.30am in the morning on 25th April, as follows:

- 5am Spirit of Place
- 5.30am Official Anzac Day Gallipoli Dawn Service
- 10am Australian Memorial Service, Lone Pine Cemetery
- 11:30am New Zealand Memorial Service, Chunuk Bair

At 1pm the coach will transfer you from Chunuk Bair to your hotel in Canakkale. There you can relax and enjoy the rest of the day at leisure.

Day 8: Via Pergamon to Selcuk

Meals: B, L, D

After breakfast, drive to the Greco-Roman city of Pergamon, perched on its acropolis, with far-reaching views of the plains all around. Visit the Altar of Zeus, the temples of Trajan, Dionysus and marvel at the magnificent 10,000 seat theatre at the Temple of Athena.

Continue to Bergama to enjoy a special lunch at a typical village house. You will be divided into smaller groups and hosted by a number of local families, a perfect chance to try Turkish home cuisine and meet your hosts in their homes. Later, drive on to Selcuk for dinner at your hotel.

Day 9: Ephesus

Meals: B, L, D

This morning you will explore the UNESCO World Heritage site of Ephesus, one of the best-preserved ancient sites in the world. Later travel into the hills behind Ephesus, to visit the chapel built on the spot where the Virgin Mary is believed to have spent the last days of her life, in the company of Saint John to whom she was entrusted by Jesus Christ before he was crucified. Enjoy a picnic lunch today along with a cookery class experience. Watch some Turkish cooking techniques and then take the chance to prepare and cook some of the food. Later learn how hand-woven Turkish carpets are produced, then continue to the beautiful old village of Sirince, set on the forested hillside. This region is known for its olive oil, fruit and wine production, and you can take the opportunity to visit one of the vineyards or olive oil producers. In the evening Dinner at a traditional koftecisi, specialising in grilled kebabs and meatballs.

**Day 10: Via Magnesia to Pamukkale**

Meals: B, L, D

After breakfast set off to the little-visited ancient site of Magnesia, which dates back to 400-350BC and was an important city in the fertile Menderes (Meander) valley. Our partner in Turkey is a proud sponsor of the archaeological excavations here, which allows us special access to archaeological areas that are normally restricted. Later continue to the extraordinary thermal waters and geological formations of Pamukkale (which literally translates as 'Cotton Castle') where you have the chance to relax and enjoy the hotel's facilities including the thermal pool.

Day 11: Pamukkale to Antalya

Meals: B, L, D

After breakfast set out to explore the Hellenistic site of Hierapolis, which was an important trading post on the routes connecting East to West. Later, during the Roman Period, Hierapolis became famous as a thermal centre, with its massive bath houses built to serve visitors from around the ancient world. Upon arrival at the site, you will be greeted by spectacular views of the calcium pools that have been formed by the spring waters of Hierapolis over thousands of years. Explore the ancient site, including its fabulous necropolis and one of the best-preserved Roman theatres in the world. Later drive south to the coastal city of Antalya for a two-night stay.

**Day 12: In Antalya, visit Perge and Aspendos**

Meals: B, L, D

Today you will visit the impressive ruins of Perge and Aspendos, as well as the picturesque waterfalls of Manavgat, rounded off with a boat trip along Antalya's attractive shoreline. The ancient Greek city of Perge, located close to Antalya, was capital of the region of Pamphylia. While there is a wealth of historical remains to see here, the theatre, memorial fountain, city gate, agora, baths and gymnasium especially stand out. Next, you will visit the nearby city of Aspendos, famous for its incredibly well-preserved Roman theatre, said by many to be the best example in the Mediterranean world. En route back to Antalya you will have a chance to see the beautiful Manavgat waterfalls, as they cascade over a wide area surrounded by channels and terraces. Enjoy a change of pace in the afternoon as you head out on a private boat tour from Antalya, lasting around two hours, with the chance to swim or just relax and take in the coastal scenery. Later there's the chance to eat at one of Antalya's traditional restaurants in the heart of the old city, a fitting end to a varied and busy day.

**Day 13: To Konya**

Meals: B, L, D

Drive northeast from the coast onto the Anatolian Plateau, a sparsely populated region of rolling steppes bordered by the Taurus Mountains in the south. Arriving at the traditional town of Konya, you will have the chance to visit the Mausoleum of Mevlâna, the founder of Whirling Dervishes, before dinner and your overnight stay.

Day 14: Via Sultanhanı to Cappadocia

Meals: B, L, D

Set off from Konya and drive first to Sultanhanı Caravanserai - one of the most significant and best-preserved Seljuk caravanserais in Turkey. Enjoy time at this majestic building and imagine the camel caravans of old stopping here en route from China or Central Asia. Continue to the other-worldly landscapes of Cappadocia and check in to your hotel for a three-night stay. After dinner at the hotel, visit the historic Saruhan Caravanserai to see the Sema Ritual performed by Whirling Dervishes, a deeply mystical experience where the dancers fall into a rhythmic trance-like state.

**Day 15: Via Sultanhanı to Cappadocia**

Meals: B, L, D

This morning at sunrise you have the opportunity (optional) to enjoy an unforgettable experience: to float in a hot-air balloon over Cappadocia's extraordinary landscapes of volcanic cones, cliffs and rich green valleys.

Later, start a full day exploration of the region with a visit to the monastic centre of Goreme. The town was founded by St. Basil as the first Christian monastic centre during the 4th century. Now the area is described as an 'open-air museum', with rock-hewn churches and monastic dwellings dotting the landscape, often decorated with well-preserved Byzantine frescoes. Later visit picturesque Pasabag Valley, where cone-shaped chapels and hermitages look as if they have been sculpted by contemporary artists! Your next stop will be Kaymakli Underground City, a subterranean settlement composed of troglodytic cave dwellings providing shelter for early Christians protecting themselves from invaders. Kaymakli had the capacity to house a total of 5,000 people at once with its eight different subterranean levels. Finishing literally on a high, you will stop by the rock-carved natural citadel of Uchisar with its spectacular views of the whole region from the top.

On the way back to the hotel there will be the opportunity to stop at Avanos, an attractive town famous for its red clay, which has been used in pottery since the 2nd millennium BC. You will visit the studio of a local Cappadocian pottery artist and see the creation of traditional pottery and ceramic masterpieces.

In addition, today you will have the chance to visit a local family in their traditional stone-built home to meet the family and learn about everyday life in this part of Turkey, aspects of which have hardly changed in generations. Expect to be offered the most authentic of Turkish welcomes: a glass of 'çay' or traditional 'kahve' (coffee). Enjoy dinner at a popular local restaurant this evening.

Day 16: In Cappadocia

Meals: B, L, D

On your second full day in Cappadocia, enjoy the scenic beauty of Ihlara Valley, the picturesque village of Mustafapasa, the rock-cut churches of Soganlı and a fabulous opportunity to learn the art of Turkish home cooking!

Drive first to Ihlara Valley, a long gorge cut into the volcanic rock, honeycombed with rock-cut underground dwellings and churches from the Byzantine period. Then visit Mustafapasa, a perfectly preserved Greek village in the heart of Anatolia.

The former Greek inhabitants left the village in 1923 during the population exchange between Turkey and Greece.

At lunch today you will have the chance to enjoy a demonstration of authentic Turkish home cooking. The setting for lunch is an original stone house, decorated with Turkish textiles and local Cappadocian rugs, to give you a real flavour of traditional Turkish hospitality.

In the afternoon continue to Soganli valley, which has been inhabited since the earliest days of the Christian era. The rock-cut churches here date from the 9th to 13th centuries. Soganli, like other valleys in Cappadocia, exemplifies the harmony between man and nature.

This evening once again we head out to a local restaurant for dinner.

Day 17: To Ankara

Meals: B, L, D

Say goodbye to Cappadocia and drive around 3 to 4 hours to Ankara. Historically known as Angora, Ankara is the capital of Turkey and the country's second-largest city after Istanbul. Upon arrival, you will visit the Anatolian Civilizations Museum, a museum that has drawn worldwide acclaim for its unparalleled collection of artifacts from all the civilisations that have occupied Anatolia throughout history and prehistory, including the Hittites, Urartians and Phrygians. Afterwards, visit the colossal Mausoleum of Ataturk, the burial place of the national hero who founded the modern Republic of Turkey.

**Day 18: Fly to Istanbul**

Meals: B, L, D

After breakfast in Ankara drive to the airport and fly to Istanbul. Here transfer to the hotel for lunch and then enjoy a free afternoon in one of the world's great cities. You can either explore independently or choose from one of our optional excursions outlined below.

You could take a guided tour to explore traditional Cukurcuma, a wonderful neighbourhood famous for its many antique shops. Also visit the Museum of Innocence, created by famed Turkish novelist and Nobel prize

winner Orhan Pamuk. The museum is based on his novel of the same name and evokes the everyday life of Istanbul during the last 30 years of the 20th century, the period in which the novel is set.

Alternatively, you may want to try your hand at an Ebru painting workshop. Ebru painting is a centuries old Turkish art, where natural dyes mixed with ox gall are sprinkled with brushes made of horse tails on the surface of water in an ebru tray. When the design is ready paper is left on top to absorb the dyes and shapes. A third option is to experience the refined art of the Turkish Bath at the 16th century Hurrem Sultan Hammam, one of the very best and most traditional hammams in the city. Indulge in a deep cleanse and relaxing massage, your reward for the action-packed days you've just spent enjoying the best of western and central Turkey!

Each of the optional excursions requires minimum two participants and cost €50pp for the guided tour of Cukurcuma, €80pp for the Ebru painting experience, and €110pp for the traditional Turkish Bath and massage.

For your final evening visit the bustling and historical district of Kumkapi, on the Sea of Marmara, where fishermen have lived and worked for centuries. Enjoy your meze starters with fish or seafood main courses, often with traditional live music and belly-dance performances going on around you.

Days 19-20: Depart Istanbul**Meals: B**

After breakfast at the hotel, transfer to Istanbul airport for your onward flight, arriving back in New Zealand the following day.

Please note: Only breakfast is provided on the group's day of departure.
