### Destination Information

**DMZ – The** Korean Demilitarized Zone is a strip of land running across the Korean Peninsula, dividing the Korean Peninsula roughly in half. It was established by the provisions of the Korean Armistice Agreement to serve as a buffer zone between North Korea and South Korea. Please note that while visiting the DMZ, photos can only be taken in the designated area and direction. The visit to the DMZ does not include a visit to the Joint Security Area or the blue hut on the border itself.

**The 3rd Infiltration Tunnel** – The 'Third Tunnel of Aggression' is one of four known tunnels situated within the DMZ. The 265m long, steeply sloping tunnel was built by North Korea in the 1970s and is located more than 70m underground. North Korea initially denied its existence when South Korea discovered, then later claimed that it was a coal mine. It was eventually revealed that they had dug the tunnel to launch a surprise attack on Seoul. The South eventually took control of the tunnel, blocking off the demarcation line with the North via concrete barricades.

**Dorasan Observatory** – Located at the top of Mt Dora, the Dorasan Observatory looks across the Demilitarized Zone. Visitors can catch a rare glimpse of the reclusive North Korean state through binoculars from the observatory and will be able to see the North Korean propaganda village situated in the DMZ, a remnant of the old prosperity of the North.

## SOUTH KOREA - TRAVEL INFORMATION

### VISAS:

---

New Zealand passport holders do not need a visa for South Korea if they are travelling for less than 30 days for tourist purposes. Please be advised that your passport must have at least six months validity left on it when you arrive back in New Zealand.

**South Korea Entry Requirements** - All guests travelling to South Korea required to complete an entry declaration form (arrival card) when travelling to South Korea. This can be completed online, up to 72 hours before arrival in South Korea. For more information on the e-Arrival card, please visit the following website: <https://www.e-arrivalcard.go.kr/portal/main/index.do>

Please note the visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate; Wendy Wu Tours acts as a third party and has no influence on the process of a visa.

If the flights that you are booked on are transiting via a different country, please ensure you check the entry requirements for that country, as they may differ to the requirements than your destination.

### INSURANCE:

---

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance.

We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original.

### TRANSPORT:

---

**Coaches:** Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary.

Roads in South Korea are well maintained and are comparatively smooth compared with the rest of Asia. *Please remember to always wear your seatbelt. Toilets, water bottles and USB/power sockets are not available on coaches.*

**High-speed trains:** Second class reserved seats are booked for our groups on high-speed trains; there will be toilet facilities on board. Due to the limited space on the trains, a separate luggage transfer service will be arranged for all suitcases.

### ACCOMMODATION:

---

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. In more remote areas, accommodation may be of a lower standard and may not have all western amenities.

Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality do exist between New Zealand and South Korea.

All group tour hotels have private western bathroom facilities, air-conditioning, TV and telephone. Some hotels in South Korea have hot water restrictions, operating for a few hours at a time, usually in the morning and evenings. Hotels in South Korea often do not have porters and you will be required to carry your own luggage. If you experience any difficulty, please speak to your National Escort/local guide. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and partners to ensure that standards meet your needs.

### **EATING IN SOUTH KOREA:**

---

Korean cuisine is delicious, colourful and healthy. Meals are usually served with a bowl of rice and a bowl of soup and consist usually of banchan (side dishes) including Kimchi (seasoned and fermented vegetable), fish and meat. Most food is eaten with chopsticks so best get practicing as cutlery is not always available at restaurants. Korean food is generally hot and spicy compared to Chinese and Japanese cuisine.

All meals (excluding drinks) are included in our fully inclusive group tours from the groups' arrival until the day of departure. Our schedule of meals is designed so that you can experience the local dishes, their individual flavours as well as the different ways they are prepared and cooked throughout Korea

Breakfast will mostly be buffet style but may be a set-menu. Lunches and dinners are mostly pre-set options as is custom in many local restaurants. We usually find this style of dining suits the wide and varied tastes of our customers on tour. These are also pre-booked in advance prior to your arrival by your guides. All beverages will be at your own expense and are readily available. Please note: if you have any dietary requirements, you must inform us before your tour starts, and please be aware that restaurants may not always be able to accommodate these. Gluten-free food may not be as readily available as in New Zealand

On some days where lots of sights are covered, dinner times may be early, and your tour group may head directly to the restaurant after sightseeing without stopping at your hotel to freshen up.

### **CULTURAL DIFFERENCE:**

---

South Korean society and culture is built on intricate social etiquette and customs. As foreigners, we are not expected to be knowledgeable about all etiquette, but it will make your time in South Korea more enjoyable if you are respectful of local customs. Some examples of scenarios you may encounter include removing your shoes and hats when entering a temple or house (some restaurants as well). You may be supplied with slippers at some places, but please come prepared with plenty of spare socks, and shoes that are easy to take off for the regular occasions when they must be removed. It is also more polite to use both hands when giving or receiving things, such as money or change. Your National Escort will advise you of some of these other customs at the beginning of your tour.

### GROUP SIZE:

---

The group size on our Classic Tours is on average 21 passengers, with a maximum group size of 28. You may encounter other Wendy Wu tour groups while you are travelling. On our group tours we operate a seat-and-a half policy, allowing you to travel in greater comfort. All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). A national escort will accompany each group of 10 or more. However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so.

### PUBLIC HOLIDAYS:

---

If you are travelling within the below Public Holidays, please note that celebrations can last a several days and during these times some businesses will be closed. Coach, air and train travel may also be affected. Tourist attractions will be open; but may be crowded.

South Korea: Seollal (Lunar New Year) is 28th – 30th January 2025, Buddha's Birthday and Children's Day is 5th May 2025 and Chuseok (Korean Thanksgiving) is 16th September – 18th September 2025 and 5th to 7th October 2025.

### SOUVENIRS:

---

We want to be able to give you an opportunity to buy souvenirs, so we include some stops at museums or exhibitions which demonstrate a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone, so we aim to take you to places, which hold local interest. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

### TIPPING POLICY:

---

Tipping while on holiday is common in most parts of the world and South Korea is no exception. However, it is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time. To avoid any inconvenience, Wendy Wu Tours operates a tipping policy where a stated amount is given to your National Escort at the beginning of your tour and tips are disbursed throughout your tour.

The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the National Escort. If you are travelling in a smaller group, we ask for slightly higher amounts per traveller, to be fair to the guide(s). We generally find that most customers appreciate the convenience of our tipping policy, but we do recognize that it may not suit everyone. However, as this is a group tour we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour. additional tipping on any of our tours is welcomed at your discretion. Further guidance for tipping contributions will be outlined in your final documentation.

### DEVELOPMENT IN SOUTH KOREA:

---

South Korea is a developed country and as such matches the west in modernity and technological advances. South Korea is a very safe country and takes great responsibility in maintaining high safety standards.

### PORTERAGE:

---

Please be aware that porterage is not included on our tours in South Korea. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

### PERSONAL EXPENSES AND OPTIONAL TOURINGS:

---

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you.

Optional Tours - May be offered in each city you visit during your tour. These are not included in the standard itinerary and will only be available if time permits and if seats are available.

Please ensure you have additional funds available if you feel you may wish to participate in any extra activities. Each option will be arranged locally by your National Escort/Local Guide, participation and tipping for optional excursions is completely at your discretion.

### CLIMBING STEPS:

---

Sightseeing at nearly all the palaces, fortresses and some temples involves climbing quite a few steps. These palaces were built to provide defence against potential invaders so nearly all of them stand on top of a hill, while the interiors have layers of narrow hallways and steps to slow down the advance of enemies once they were inside. The steps tend to be quite large, not level and sometimes without handrails.

Buddhist temples or pagodas also tend to be built at an elevation, as this is the most auspicious position according to ancient beliefs. This means you sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside. People with knee or hip injuries who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully

### LUGGAGE:

---

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable.

### VACCINATIONS AND YOUR HEALTH:

---

We recommend that you contact either your doctor or Health centre for advice on vaccinations and travel health. Safetravel has a comprehensive website that you may also find useful [www.safetravel.govt.nz](http://www.safetravel.govt.nz)

### BEFORE YOU LEAVE:

---

We strongly recommend registering your travel plans with [www.safetravel.govt.nz](http://www.safetravel.govt.nz) as in the event of an emergency, New Zealand Consular assistance will be more readily available.

Up until the day you travel, it is vital you keep up to date and familiarised with the entry requirements as these can change at short notice. You are personally responsible for completing any entry forms, conducting any covid tests (if necessary), etc and adhering to countries' specific entry requirements.

You can also access the New Zealand Government's travel advisory service for up-to-date information about your destination on the same website.

### AFTER YOUR BOOKING:

---

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice including a visa application form (if applicable), and a help sheet. Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure.
