## INDIA - TRAVEL INFORMATION

### VISAS:

---

New Zealand passport holders currently do require a visa to enter India. Wendy Wu Tours Visa Department can assist you with the process of obtaining a visa. We will supply you with all paperwork if applicable and submit the visa application on your behalf. Your passport needs to be valid for at least six months beyond your intended return date to New Zealand.

Please note the visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate; Wendy Wu Tours acts as a third party and has no influence on the process of a visa. Your travel consultant will inform you if any changes are applicable prior to your departure.

### INSURANCE:

---

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance.

We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original

### EATING IN INDIA:

---

Indian cuisine is one of the most influential, diverse and flavoursome culinary styles in the world. Indian dishes incorporate many spices and seasoning to create an explosion of flavours. Though Indian cuisine can vary greatly from the Indian food we get in New Zealand, it is important to keep an open mind and be adventurous. All meals (excluding drinks) are included in our classic group tours, from dinner on the arrival day until breakfast on the day of departure. Please be aware that dishes selected for your meals reflect the cooking styles and signature dishes of the local area you are in.

Dishes served in restaurants on our group tours are varied. Some will be vegetable-based with meat mixed in, and a few will be meat-based. Our restaurants are well aware of the western palate – there are plenty of non-spiced options. When eating meals on group tours, you will usually be seated around a large table with other tour members. Dishes will be served in the traditional ‘family style’; meaning that various dishes will be laid out in the centre of the table. These dishes are intended to be shared amongst the group – there is always more than enough to feed everybody.

We recommend that when it comes to Indian food, you stay open minded and try to be adventurous!

**PLEASE INFORM US OF ANY ALLERGIES AND/OR SPECIAL DIETARY REQUIREMENTS  
AT TIME OF BOOKING**

### RANTHAMBORE NATIONAL PARK SAFARI:

---

To ensure your safari booking at Ranthambore National Park we will require a scanned copy or photocopy of the bio page in your passport along with your deposit. Wendy Wu Tours cannot confirm your safari arrangements without this information.

### ACCOMMODATION:

---

Your accommodation is selected for convenience of location, comfort or character, and can range from business hotel in one city to a family-run guesthouse in a smaller town or a heritage-type hotel. Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality may exist between New Zealand and India. All group tour hotels have private western bathroom facilities and air conditioning where needed. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort.

Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs.

### TIPPING POLICY:

---

Tipping while on holiday is common in most parts of the world and India is no exception. However, it is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time. In order to avoid any inconvenience Wendy Wu Tours operates a tipping policy where a stated amount is given to your national escort at the beginning of your tour and tips are disbursed amongst your main service providers (for example local guides and drivers) throughout your tour. The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the national escort. Any other tipping, such as tips for bathroom attendants or hotel porters that are taking luggage to your room, is at your discretion based on satisfaction of services received, as are gratuities for additional requested special services.

We generally find that most customers appreciate the convenience of our tipping policy, but we do recognise that it may not suit everyone. However, as this is a group tour, we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

### TRANSPORT:

---

**Coaches:** Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Main and inner-city roads in India have a reputation for being very congested. For this reason, it may not always be possible to return to your hotel after sightseeing to freshen up before going to the restaurant for dinner.

Roads in India have generally been improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road - not just one or two kilometres as you may be used to. For this reason, the timings listed in the sections above are approximations only.

**Planes:** Internal flights are based on economy class with reputable airlines. Pre-flight seat allocation is not available on international and internal flight sectors.

**Trains:** This trip involves a train journey in AC class cars. Getting on and off the trains in India can be quite disordered as passengers will start boarding well before people have finished getting off! If your group is disembarking at a stop that is not the end of the line, the train will only stop for 10 minutes and you must have your luggage ready and by your side a few minutes before the train pulls into the station.

### LUGGAGE:

---

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 15 kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

### APPROPRIATE DRESS:

---

When visiting temples or mosques, both men and women should dress in conservative, non-revealing clothing. Full-length trousers with a shirt or t-shirt for men; and trousers or skirts well below the knee with a top that covers the shoulders and upper arms for women. Women might also consider carrying a 'modesty shawl' in their daypack – this could be a sarong or light scarf – which they can wear over their shoulders and heads to feel more comfortable while sightseeing at mosques. When visiting Jain temples, you must not wear or take in any leather items such as belts, watches, camera straps, purses and shoes.

Religious sites and homes throughout India – for Hindus, Jains, Sikhs, Muslims or Buddhists to name a few – require all visitors to remove their shoes to enter. Even if you then need to walk outdoors, over hot or rough ground, you will not be allowed to wear shoes. You will often find shoe storage rooms near the entrance of a site where it is customary to leave your shoes near the entrance. Occasionally there are 'shoe minders' who will offer to keep your shoes safe for a 'tip' – this is not compulsory so each customer can choose to tip for this service or not. If you do not want to remove your shoes, you will have to remain outside.

We recommend shoes that easily slip on and off, and carry a pair of thick, old socks in your daypack, which you can wear to protect your feet from any rough or hot surfaces.

### CLIMBING STEPS:

---

Sightseeing at nearly all of the palaces, fortresses and some temples involves climbing quite a number of steps.

These palaces were built to provide defense against potential invaders so nearly all of them stand on top of a hill, while the interiors have layers of narrow hallways and steps to slow down the advance of enemies once they were inside.

The steps tend to be quite large, not level and sometimes without handrails. Hindu and Buddhist temples or pagodas also tend to be built at an elevation, as this is the most auspicious position according to ancient beliefs. This means you sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside.

People with knee or hip injuries, who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

### EXCHANGING CASH:

---

US Dollars can be easily exchanged in India, provided notes are new and undamaged. We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited. Try and keep some small notes and coins on you, as on street stalls and in small shops they may not have the change to break up a high denomination note. If you decide to use US dollars, make sure they are in a good state (not ripped, etc.) or they will not be accepted. ATMs are common across India and we recommend using an ATM inside a bank where possible.

Most major credit cards are widely accepted across the continent, though please bear in mind the charges of your provider. Debit cards are also widely accepted but may have a limit to the amount of cash you can withdraw – consult your bank about this before travelling.

### PERSONAL EXPENSES AND OPTIONAL TOURINGS:

---

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you.

Optional Tours - May be offered in each city you visit during your tour. These are not included in the standard itinerary and will only be available if time permits and if seats are available.

Please ensure you have additional funds available if you feel you may wish to participate in any extra activities. Each option will be arranged locally by your National Escort/Local Guide, participation and tipping for optional excursions is completely at your discretion.

### VACCINATIONS AND YOUR HEALTH:

---

We recommend that you contact either your Doctor or Health centre for advice on vaccinations and travel health. Safetravel has a comprehensive website that you may also find useful [www.safetravel.govt.nz](http://www.safetravel.govt.nz)

### BEFORE YOU LEAVE:

---

We strongly recommend registering your travel plans with [www.safetravel.govt.nz](http://www.safetravel.govt.nz) as in the event of an emergency, New Zealand Consular assistance will be more readily available.

Up until the day you travel, it is vital you keep up to date and familiarised with the entry requirements as these can change at short notice. You are personally responsible for completing any entry forms, conducting any covid tests (if necessary), etc and adhering to countries' specific entry requirements.

You can also access the New Zealand Government's travel advisory service for up-to-date information about your destination on the same website.

### AFTER YOUR BOOKING:

---

Once you have booked with Wendy Wu Tours, you will receive a confirmation along with a link to our website where you can find your visa information (if applicable) and other important information. Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure.

### ITINERARY CHANGES:

---

It is our intention to adhere to the day-to-day itinerary as printed; however, the order of events or sightseeing may change as we look to improve our tours or as local conditions dictate; in these circumstances we will make the best possible arrangements whilst maintaining the integrity of your trip.
