Destination Information

Shanghai – Once known as the 'Paris of the East', Shanghai is now one of Asia's most influential cities. Prior to communist arrival in 1949, Shanghai was a city with European-style mansions and was the most important trading port in Asia. Today it presents a blend of cultures; the modern and the traditional, along with the occidental and oriental. Modern skyscrapers intermingle with 1920s 'shikumen' buildings. This combination is what attracts millions of visitors each year.

Day 3: Shanghai

Meals: B, L, D

Today's explorations include the peaceful Yu Garden and the atmospheric alleys of the old town. Admire the magnificent colonial architecture with a stroll along the Bund and visit a fascinating silk mill. Head to the top of Jin Mao tower for views of the city (weather permitting). Sightseeing today involves a full day of touring around the centre of the city including 3-4 hours on foot.

In the evening, view the city from the Huangpu River on a panoramic river cruise, and dine on a delicious Shanghaiese meal.

Destination Information

Old Town and Yu Gardens – The old town of Shanghai, where cobbled streets are lined with traditional shops selling herbal medicines, handicrafts, Chinese tea and a variety of tantalising snacks, is the original centre of Shanghai and for decades was the seat of Chinese authority in Shanghai. The Yu Gardens is seen as one of the most perfect examples of Chinese garden style. Built by the Ming-era governor, Pan Yunduan, as a retirement gift for his father, the Yu Gardens is home to exquisite jade rock, goldfish-filled ponds and stunning, tranquil pavilions.

The Bund – Recognised as Shanghai's former 'Wall Street', the Bund is home to an impressive collection of buildings from the early trade houses of the 1850s to the glamorous Art Deco modernism of the 1920s. Originally the home of the foreign population of Shanghai, the Bund's architecture has inherited much western influence and is a stark contrast to the Pudong skyline, sitting across the Huangpu River.

Silk Factory – The Silk Factory is an educational journey through the production of silk, one of China's most famous and luxurious materials. Learn about the use of silkworms and silk moths in its production; the manufacturing process; as well as silk's journey along the Silk Road which brought this product across Asia and Europe.

Huangpu River Cruise – There is no better way to see the juxtaposition of eras in Shanghai's history than by taking a cruise on the Huangpu River. At night, the dazzling colours and lights from Pudong shine bright onto the more modest twilight of the Bund.

Day 4: Shanghai – Yangtze River Cruise

Meals: B, L, D

Transfer to the train station for your 6.5-hour bullet train to Yichang. You will then transfer to the docks, located near the Three Gorges Dam to board the ship and check in to your cabin for the next 4 nights.

Please note you will need to carry your own luggage on and off the train.

Cruise Information

The cruise includes one daily shore excursion along with various onboard activities and entertainment. Additional shore excursions (approx. RMB290 per person) are available, payable onboard, subject to local conditions. Please consult your guide about physical requirements, as some ports may involve many steps.

The Yangtze River cruise section of your itinerary will not be confirmed by the cruise operators until after you commence as it is subject to local river conditions and water levels. Your local guide will do their utmost to keep you informed of any changes but cannot guarantee against delays or – in rare cases – cancellations of sections of your itinerary. A detailed itinerary will be handed out on the vessel each day.

If you don't take part in a shore excursion but wish to disembark, a port tax (approx. RMB250 per person) applies, though disembarkation may not always be possible due to security reasons. Please be aware that embarking and disembarking the cruise ship may involve several steps, especially at low tide.

There are amenities package (starting from Day 2), deck and cabin upgrades available to pre-book. Please enquire with our Reservations team.

Destination Information

Yangtze River – One of the world's great and legendary waterways, this 6,300km river has its origins high up in the snow-covered mountain of Tanggula, in the southwestern Qinghai Tibet Plateau, and runs into the ocean in Shanghai. It is estimated that the banks of this river are home to almost a third of China's population.

Day 5: Yangtze River Cruise

Meals: B, L, D

Visit the Three Gorges Dam, the world's largest hydroelectric dam, and marvel at this incredible feat of engineering. Disembark the ship and take a scenic 45-minute drive (please note that the coach is not permitted to take photo stops) to the viewing area above the ship locks, where you will be able to appreciate the immense scale of this monumental project. Explore a small museum and a lookout point for further insight into its construction and impact on the region. This excursion includes approximately one hour of walking.

Return to the ship and cruise through Xiling Gorge, the longest and deepest of the Three Gorges.

Additional shore excursions may include the Three Gorges Dam Lift, visit to the Tribe of the Three Gorges or to the Hometown of Qu Yuan.

Destination Information

Three Gorges Dam – Commenced in 1994 and completed in 2009, the Three Gorges Dam is the largest water conservancy project ever undertaken. The Dam is located near Sandouping, which is in the middle of the Xiling Gorge, the longest of the Three Gorges. The Three Gorges Dam is 2,335m long, 185m high, 18m wide on the top and 130m wide at the bottom. The dam has raised the river to a level of 175m above sea level, creating a 600km long reservoir. The building of this huge dam was for the purpose of flood control, electricity, navigation, and irrigation.

Day 6: Yangtze River Cruise

Meals: B, L, D

Transfer to smaller vessels for a relaxing 1.5-hour excursion through the Shennong Stream gorges. Though narrower than the Three Gorges, these dramatic waterways offer equally as impressive scenery. There is no walking involved on this shore excursion, however you will need to get on and off the boat without assistance. Later, as the cruise ship continues upstream, prepare for breathtaking vistas as you pass through Wu and Qutang gorges. Wu Gorge is known for its quiet beauty, with forest-covered mountains and towering cliffs, while Qutang Gorge, the shortest and narrowest, captivates with its sheer rock faces and dramatic landscapes.

Depending on local river conditions, you may travel along the gorges of Goddess Stream instead of Shennong Stream.

Additional shore excursions may include White Emperor City and a "Return to the Three Gorges" show.

Destination Information

Shennong Stream – Shennong Stream flows from north to south through stunning deep gorges finally merging with the Yangtze to the east of the mouth of Wu Gorge. The landscape on both banks of this crystal-clear stream is unique and tranquil.

Day 7: Yangtze River Cruise

Meals: B, L, D

Continue cruising along the mighty Yangtze River. Relax onboard or disembark to explore the Xiaoguanshan Folk Culture Park, a reconstructed park featuring ancestral homes, the historic Tianfo Temple, and Huichuan Gate, all rescued from the submerged areas of the Three Gorges Dam. Sightseeing is leisurely on foot, taking approximately 1-2 hours.

Depending on local river conditions and the cruise program, you may visit Mt. Shuanggui or Fengdu Ghost City instead.

Destination Information

Xiaoguanshan Folk Culture Park – Spanning 2,001 square meters, the park features the historic homes of the Qin, Zhou, Wang, and Lu families, as well as the ancient Tianfo Temple and Huichuan Gate, all originally located in the Three Gorges Dam's submerged areas of Gaojia and Mingshan towns. These valuable structures were painstakingly dismantled, with each piece meticulously numbered, and then transported to Xiaoguanshan. Over the course of five years, from 2002 to 2007, they were carefully reconstructed to preserve their historical integrity.

Day 8: Yangtze River Cruise - Chengdu

Meals: B, L, D

Check out of your cabin early this morning and disembark in Chongqing. Depending on the water level, there could be up to 200 steps from the cruise dock to the coach parking. Take a tour around Ciqikou, a centre of cobbled streets and porcelain wares. Next, transfer around 5 hours to Chengdu. Enjoy a Sichuanese meal in the evening.

After Hours Experience: For those seeking extra excitement this evening, you may wish to see the Face Changing Show, a sub-genre of the Sichuan Opera (time permitting, payable locally).

Chengdu – China's symbolic western capital and the residence of the country's most lovable black and white bear, Chengdu has an abundance to offer. With a fast-paced economy that is dragging China's west into the 21st century, it is no wonder that Chengdu's appeal is growing year on year.

As the gateway into Sichuan Province's large collection of sights, as well as Chengdu being its own trove of historical and cultural treasures, Chengdu is a definite, a necessity, a must-visit on any trip to China.

Sichuanese Meal – Sichuanese cuisine is famous for its use of Sichuan pepper and chillies.

These spices from the area are known for their 'mala' (numb and spicy) flavours, which seem to cool and heat your mouth at the same time. Famous dishes include Kung Pao Chicken, twice-cooked pork and spicy Sichuanese hotpot.

Day 9: Chengdu - Xian**Meals: B, L, D**

Today we will visit China's most famous resident, the Giant Panda. Visit the Panda Conservation Centre where you can learn about China's celebrated bear. See these lovable creatures in surroundings that mirror their natural habitat. It is not guaranteed that you will be able to see the feeding of the younger pandas, as this only happens at the start and end of each day.

Later, board your bullet train to Xian, a journey of approximately 3-4 hours.

This evening, dine on delicious Shui Jiao dumplings and watch a performance of Tang Dynasty dancing.

Please note you will need to carry your own luggage on and off the train.

Destination Information

Panda Conservation Centre – With over 80 pandas, the Chengdu Panda Research Base is equipped with the latest technology and research materials to gain a further understanding in how we can protect the panda and maintain, if not increase, its numbers. The park is set up to resemble the mountain and forest regions in north Sichuan, the original home of the Giant Panda, with extensive bamboo trees and large green spaces. Red Pandas, the Giant Panda's lovable cousin, and flamboyant peacocks too roam the park, making for an interesting mix.

Xian – Xian has long played a pivotal role in China's extensive history and has been a thriving hub for cultural exchange, economic trade as well as national politics for centuries. Home to some of China's most ancient sights, diverse architecture and delicious fare, Xian is a must-see destination.

Tang Dynasty Dancing show – Xian, previously known as Chang'an, was an important cultural and historical centre in not only China but in the known-world. The Tang Dynasty dancing show is an exciting exponent of this prosperous society and keeps alive the splendour of this period.

Day 10: Xian

Meals: B, L, D

Spend the morning viewing the enigmatic ranks of the life-sized Terracotta Warriors. The Museum of the Terracotta Warriors and Horses is located approximately a 1-hour drive outside of Xian. From the bus park to the museum entrance is a 15-minute walk. There are electric carts offered by private vendors which can be organised at your own cost. There is no electric cart available for the return from the museum exit to the bus park. Within the museum area the warriors can be seen in three different 'pits', which are active archaeological digs.

The site is large and will take about 2 and a half hours to explore. After this, visit the Xian Art Ceramics and Lacquer Exhibition Workshop to see smaller models of the warriors being made.

Later, stroll on the beautifully preserved 14th century city walls that enclose Xian's old town. The local guide will give you time to explore the ancient city walls at your own pace.

Stop by a local brewery for a refreshing beer tasting, where you can learn about the brewing process and sample a selection of beers (non-alcoholic drinks are available). Then walk through the lively atmospheric alleys of the Muslim Quarter.

After Hours Experience: For those seeking extra excitement this evening, you may wish to visit Tang Ever Bright City for its traditional architecture, colourful costumes, and dazzling lights (time permitting, payable locally).

**Day 12: Beijing**

Meals: B, L, D

Walk through Tiananmen Square and into the magnificent Forbidden City. Sightseeing here will involve approximately 3-4 hours on foot. Later, soak up the harmonious ambience of the Temple of Heaven for about 1 hour. Tonight, watch a thrilling Chinese acrobatic show.

Please note: The Forbidden City is closed on Mondays. If this day of touring falls on a Monday, your touring in Beijing will be switched round so that the Forbidden City is visited on an alternative day.

Please note: In an effort to preserve the Forbidden City, the number of entry tickets per day has been significantly reduced. Whilst every effort will be made to obtain the tickets, should this not be possible, then you will instead visit the Forbidden City from the outside and visit the nearby Prince Kung's Palace Museum.

**Destination Information**

Tiananmen Square – Built under the guidance of Chairman Mao Zedong, Tiananmen Square is one of the largest public squares in the world, said to hold a capacity crowd of over one million. It houses not only the Monument to the People's Heroes, it is also the final resting place of Chairman Mao himself in the Mausoleum of Mao Zedong.

Chinese Acrobatics – Chinese acrobatics incorporates many forms of dramatic art, including acrobatics, contortionism, juggling and plate spinning.

Day 13: BeijingMeals: B, L, D

Tonight, eat a traditional Peking duck dinner.

CHINA - TRAVEL INFORMATION

VISAS:

China Visas are not required for New Zealand passport holders for stays 30 days and under. For longer periods in China and/or other passport holders a visa will be required. Full details will be advised by Wendy Wu Tours upon booking.

Please be advised that your passport must have at least six months validity left on it when you arrive back in New Zealand.

Please note the visa procedures and requirements may change at any time. These changes are often made by the relevant embassy or consulate; Wendy Wu Tours acts as a third party and has no influence on the process of a visa. Your travel consultant will inform you if any changes are applicable prior to your departure.

INSURANCE:

We strongly recommend that you take out a policy as soon as you pay your deposit. Wendy Wu Tours cannot in any way be made liable for any additional cost incurred by the customer on any tour due to the customer not having adequate travel insurance.

We also encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the original

GROUP SIZE:

Most of our groups consist of 10 travellers or more and will be accompanied by both a National Escort and local guides. On Classic Tours, there will be no more than 28 travellers in each group although you may encounter other Wendy Wu tour groups while you are travelling. On Go Beyond and Dedicated Solo Departures have a maximum group size of 18 passengers.

All our departures are guaranteed to operate with a minimum of 10 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with local guides only.

EATING IN CHINA:

Chinese cuisine is one of the world's most diverse and flavourful, with a rich history spanning thousands of years. The local dishes you'll experience on tour may differ from what you're used to at home, offering an authentic taste of China's regional flavours and cooking styles.

All meals (excluding drinks) are included in our fully inclusive group tours from the dinner on arrival day until the breakfast on the day of departure. Our schedule of meals is designed so that you can experience the local dishes, their individual flavours, as well as different ways they are prepared and cooked throughout China – from the bold, spicy cuisine of Sichuan to the savoury flavours of Shanghainese cooking, as well as the hearty noodles and dumplings of the north and even the fresh seafood of the south.

Breakfasts are buffet-style at your hotel with both Western and Chinese options available, although rural parts of China may offer limited options. Lunches and dinners on our tours are varied, with a mix of vegetable-based and meat-based dishes. Many are pre-seasoned with soy sauce or other traditional flavours, though our selected restaurants offer plenty of mild options. Dishes may be served at different temperatures, as is customary in China.

Dining mostly follows the traditional ‘family style’ approach, with dishes placed on a lazy Susan for everyone to share. Serving chopsticks are provided for each dish, and individual bowls, chopsticks, and cups are set for personal use. Most restaurants can provide a fork or spoon if needed. This communal style of dining is an integral part of Chinese culture and a fun, social experience that will also help you to bond with your fellow passengers.

If you have allergies or dietary requests, you must inform us prior to departure. Western food requirements differ from those in Asia, and even medical dietary needs can be challenging to accommodate. Whilst your National Escort will do their best to provide a variety of options, we kindly ask for your patience and understanding, as dietary requests may not always be met to the standard you are accustomed to at home. Passengers with food intolerances are advised to bring snacks or additional food items, especially when traveling beyond major cities, where options may be more limited. Kosher and Halal food are extremely limited in China, and we regret that we are unable to cater to these dietary requirements.

ACCOMMODATION:

Your accommodation is chosen for its convenience, comfort, or character. Hotels are generally of a four-star standard in major cities, though there is no international classification system, so facilities and quality may differ from New Zealand. In remote areas, standards may be lower, and some Western amenities may be unavailable.

All group tour hotels include private Western-style bathrooms, air conditioning* and a telephone. Due to environmental regulations, toiletries may not always be provided. Plumbing and electricity can be inconsistent, and power in rooms is often switched off when unoccupied. If you encounter any issues, please speak to your National Escort or Local Guide. Rest assured; all hotels used by Wendy Wu Tours are regularly inspected to ensure they meet our standards.

**Please note that regional energy conservation and environmental regulations may restrict air-conditioning and heating use during certain months, with minimum and maximum temperature limits in place.*

PUBLIC HOLIDAYS:

If you are traveling during a Chinese public holiday, please note that while tourist attractions remain open, they may be crowded with domestic visitors. Festivities often span several days, during which some businesses may close, and coach, air, and train services could be impacted. The major Golden Week holidays occur annually from April 29 to May 3 and September 30 to October 7.

DEVELOPMENT IN CHINA:

Though parts of China match the west in modernity and technological advances, it is important to remember that China is still a developing country and as such, many aspects of tourism in China do not have the solid infrastructure and safety standards as seen here in the west.

TRANSPORT:

Trains: When traveling by high-speed 'bullet' train, you will be seated in second-class soft seats with air conditioning. **Facilities** may vary depending on the train. Most carriages feature a Western-style toilet, and most seats are equipped with a foldable tray table and a power socket for charging electronic devices. Luggage is stored at the end of the carriage or overhead. Dining carts are available on board if you wish to purchase additional food.

For daily products containing flammable ingredients, such as perfumes, colognes, sprays, and gels, non-self-spray pressure containers should not exceed 100 millilitres per item, with only one container allowed per product.

For self-spray pressure containers (e.g., hair mousse, hair spray, hair dye, cold wave lotion, insecticides, and air fresheners), each container must not exceed 150 millilitres, with a total cumulative volume of all such items not exceeding 600 millilitres. Passengers are not permitted to carry insecticides, explosives, magnetised materials, knives (including Swiss Army knives) with a blade longer than 60mm, scissors, or other sharp objects.

Bag checks are conducted at random, and any restricted items—whether in hand luggage or main luggage—may be confiscated before boarding. Your National Escort will provide specific details before your journey.

Yangtze River Cruise Vessel: If travelling on a Yangtze River cruise, a standard cabin is included equipped with Wi-Fi access, an ensuite bathroom, and a private balcony. Upgrades are available at an additional cost upon enquiry with our Reservations team.

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. Roads in China have generally improved over recent years, but traffic and/or weather conditions may extend driving times. For this reason, the timings listed in the itinerary are approximations only.

Planes: Internal flight/s are based on economy class. Lithium-Ion batteries, usually used in laptops, cell phones and digital cameras, must be carried in your hand luggage (not in your checked luggage). Portable chargers with a case that does not state the capacity or with a capacity of 160wh and more are not allowed on internal flights at all.

AFTER-HOURS EXPERIENCES:

Our Classic tours include full days of sightseeing, so you can experience all the must-see sights and create unforgettable memories. Occasionally, when time permits, we may offer extra evening experiences, such as a show, for those who want a little extra excitement. These experiences are not mandatory, will be outlined in your final documents, and can be paid for locally in RMB, either by cash or mobile payment app.

SOUVENIRS:

We want to be able to give you an opportunity to buy souvenirs; so, in each city, we will visit a workshop or factory which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone so we aim to take you to places which hold local interest; for example, in Shanghai you will be able to see how silk is created all the way from the silkworm to beautiful garments.

In Xian we will take you to a workshop which creates replicas of the Terracotta Warriors, from tiny little warriors to seven-foot behemoths! We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

TIPPING POLICY:

Tipping is a common practice in most parts of the world, including China. However, knowing who to tip and how much can be unclear, and travellers may not always have the right cash on hand. To make the process seamless, Wendy Wu Tours operates a tipping policy where a stated amount (refer to our brochure or online tour page) is given to your National Escort at the beginning of your tour and tips are disbursed to local guides and drivers throughout your tour. This system ensures a hassle-free experience for travellers while maintaining a fair and reasonable gratuity for the local people including the National Escort.

If you are travelling in a smaller group of under 10 passengers with local guides only, then tipping is paid in each destination. To be fair to the guides we ask for slightly higher amounts per traveller with small groups. We generally find that most customers appreciate the convenience of our tipping policy, but we do recognise that it may not suit everyone.

However, as this is a group tour, we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

PORTERAGE:

Please be aware that porterage is not included on our tours. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

LUGGAGE:

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of 5kg. This is a requirement on internal trains and flights. It is essential that your luggage is lockable. In general, we recommend packing only as much as you can lift as you will need to carry your own luggage on and off trains.

INTERNET RESTRICTIONS IN CHINA:

In China, certain Western apps, such as Google Services (e.g. Gmail, Google, Google Maps) and social media platforms (e.g. Facebook, WhatsApp), are blocked due to government restrictions on internet content. Some travellers may choose to download and use a VPN (Virtual Private Network) to bypass these restrictions and access blocked apps. Guests are strongly advised to conduct their own research into the legal implications as VPN usage is subject to government regulations. E-Sim providers such as Airalo and Holafly have built-in VPN capabilities.

TRAVEL MONEY IN CHINA:

We recommend having access to multiple sources of money while traveling. A combination of payment methods, including mobile payment apps, cash, and cards, will offer the most security and flexibility. Mobile payment apps like WeChat and Alipay are often more widely accepted than international cards or cash in China. You will need an internet connection when in China to use the apps. For more information, please refer to our China Travel Guide and Phrase book online Page 16 – [Travel guide and Phrasebook CHINA](#)

EXCHANGING CASH:

It is highly recommended that extra care and attention is paid when exchanging money when travelling to cities outside of Beijing and Shanghai. US Dollars are easily exchanged throughout China and other currencies can generally be exchanged in hotels and airports provided notes are new and undamaged. We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited. Your National Escort will remind you to do this before departure.

VACCINATIONS AND YOUR HEALTH:

Wendy Wu does not give specific health advice, but we do recommend you see your doctor at least six weeks prior to travel for advice and to allow time for any necessary vaccinations. Please remember to take your itinerary with you. Safe travel has a comprehensive website that you may also find useful www.safetravel.govt.nz

BEFORE YOU LEAVE:

We strongly recommend registering your travel plans with www.safetravel.govt.nz as in the event of an emergency, New Zealand Consular assistance will be more readily available.

Up until the day you travel, it is vital you keep up to date and familiarised with the entry requirements as these can change at short notice. You are personally responsible for completing any entry forms, conducting any covid tests (if necessary), etc and adhering to countries' specific entry requirements. You can also access the New Zealand Government's travel advisory service for up-to-date information about your destination on the same website.

AFTER YOUR BOOKING:

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice including a visa application form (if applicable), and a help sheet. Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure.

ITINERARY CHANGES:

It is our intention to adhere to the day-to-day itinerary as printed; however, the order of events or sightseeing may change as we look to improve our tours or as local conditions dictate; in these circumstances we will make the best possible arrangements whilst maintaining the integrity of your trip.
