## DETAILED ITINERARY

### Day 1-2: Fly to Amman

Meals: D

Upon arrival in to Amman you will be transferred to your city centre hotel ahead of this evening's briefing and welcome dinner.

#### Destination Information

**Amman** – Jordan's capital city is also the largest in the Levant, with a population of around 4 million and a history spanning some 12,000 years. Like Rome, it was initially spread over 7 hills (jabals) that number has increased to 17. It is the seat of the royal family. Amman is a blend of both new and old, being not only a prosperous centre of commerce and finance but also home to many ruins, including a magnificent Roman amphitheatre, the Byzantine Basilica and the Temple of Hercules or Great Temple of Amman. Despite Amman's impressive age, it has the feel of a young and liberal capital with an exciting future ahead.

### Day 3: Explore Amman

Meals: B, L, D

Continue to Jerash, an ancient Roman city known as 'the Pompeii of the East'; it is one of the best-preserved Roman towns outside Italy. Learn about the city's history and explore its many archaeological remains.

Take a short drive on to the town of Ajloun, a small town overlooked by the Saracen fortress of Qa'lat Al Rabad in the Jordan Valley. Stop by the Biscuit House, a community project providing employment to local women, and try your hand at one of the heritage crafts preserved here. After, head back to Amman and relax before dinner.

#### Destination Information

**Jerash** - Widely agreed by scholars to be of the most important Roman cities on the eastern fringes of its empire, Jerash is Jordan's most impressive Roman settlement and one of the best-preserved Roman sites outside of Italy. Ruins here include Emperor Hadrian's Arch, the Hippodrome, the Temple of Artemis and the iconic Forum, bordered by 160 columns.

**Ajloun** - This small town is well known for its historic castle that sits atop Mount Auf, an important Saracen stronghold in the fight against the Crusaders

### Day 4: Amman & the Desert Castles

Meals: B, L, D

Enjoy a tour of the old city of Amman this morning, exploring Amman's Roman amphitheatre and the hilltop Citadel, home to ruins from many periods of Amman's history.

Later, head out of the city for a visit to some of Jordan's Desert Castles, including the UNESCO World Heritage Site of Qasr Amra, a stunning example of early Islamic art and architecture and boasting impressive, frescoed ceilings. Stop at the mysterious site of Al Kharanah, a many-roomed house or palace about which little is known, before visiting the intriguing Azraq Castle. Built in the 13th century, Azraq also served as Lawrence of Arabia's headquarters in the winter of 1917, during the Great Arab Revolt.

### Destination Information

**The Citadel** - One of Amman's most famous ruins, the Citadel sits on Jebel Al Qala'a hill and overlooks the old city. Approaching the Citadel, you will see sections of the 1700-metre wall that dates to the Bronze Age. Inside you will find the Temple of Hercules, built under Emperor Marcus Aurelius with an original height of 13 metres; the eighth-century Umayyad Palace complex and the sixth-century Byzantine Church.

**Amman's Roman Amphitheatre** - Dating back to the second century AD, this well-preserved Roman site once housed up to 6000 spectators. The angle at which the amphitheatre was carved into the hillside protected the Roman audience members from the sun as well as creating perfect acoustics for the actors on stage.

### Day 5: Mt Nebo, Madaba & Petra

Meals: B, L, D

After breakfast, you will make your way to Mount Nebo. It is said to be from here that Moses viewed the promised land in Canaan before his death. Explore the ruins of Nebo's 4th and 5th-century churches, whose floors are still covered with marvellous and intricate mosaics. Continue to the town of Madaba to visit the Orthodox Church of St George and the Madaba Mosaic Map, the oldest surviving depiction of the Holy Land.

Your evening ends in the town of Petra, where we'll enjoy an authentic Levantine cooking class, preparing soup, appetisers and a main course under the expert eye of a local chef.

### Destination Information

**Mount Nebo** - One of the most important holy sites in Jordan, the church here was abandoned in 1564 and fell into disrepair before being purchased by the Franciscan Order, who restored the area and built a monastery there. Pope John Paul II visited the monastery in 2000, planting an olive tree beside the chapel.

**Madaba** - On the East Bank and on the King's Highway sits Madaba, 'The City of Mosaics'. True to its name, many of these excavated mosaics are on display in the town's museum, but it is estimated that almost every house in the town may sit above ancient Byzantine mosaics just waiting to be discovered.

**Day 6: Petra by Day & Night**

Meals: B, L, D

This morning you will marvel at the beauty of Petra, the 'Lost City of the Nabateans' carved directly into the rugged sandstone cliffs. Surrounded by imposing mountains, the former capital of the Nabatean Empire is approached through a deep cleft in the rocks known as the Siq. Rounding the last corner of the Siq and being confronted with the magnificent façade of the famous Treasury is an emotive experience for many travellers.

Your guide will introduce you to Petra's many secrets before an afternoon at leisure. This evening, we'll return to Petra and experience the unforgettable sight of the Treasury lit by over a thousand candles.

*Please note that today's excursions include a lot of walking, as Petra is a very large site.*

**Destination Information**

**Petra** - One of UNESCO's most prized World Heritage Sites and voted in 2007 as one of the 'New Seven Wonders of the World', this prehistoric city is nestled within desert canyons and carved deep into the sandstone cliff faces. Capital of the Nabataean Empire between 400 BC - 600 AD, the site gradually grew to prominence and has stood throughout history as one of the world's most unique attractions, with scenes from films such as Indiana Jones and the Last Crusade shot from the outside and within the city.

**Day 7: Wadi Rum Camp**

Meals: B, L, D

Spend the morning at Little Petra, a nearby Nabatean site on a smaller scale and less well-known to visitors. Look out for the Painted Biclinium room with its remains of Nabatean wall-paintings.

Journey to Wadi Rum; the 'Valley of the Moon'. This adventurer's paradise epitomises the romance of the Arabian desert, with ancient valleys and towering sandstone mountains erupting dramatically from the white and pink sands.

A 4WD will whisk you through the dunes to see 'Lawrence's Road', visiting the most spectacular sights of Wadi Rum. Hear its long history and role in the Great Arab Revolt and the story of Lawrence of Arabia. Drive among sand dunes and canyons with Bedouin petroglyphs, and venture through the dry oasis to see the iconic Seven Pillars of Wisdom. These rough, coarse columns of sandstone and granite were originally called Jabal Al-Mazmar and renamed after Lawrence's autobiography. This evening you will stay in a unique desert camp – a wonderful opportunity for stargazing and a chance to experience diyafah (Bedouin hospitality).

*Please note that temperatures in Wadi Rum can drop sharply at night. Make sure to bring a warm jacket with you. You will be camping in a large Bedouin en-suite tent with electricity and all necessary amenities.*

**Day 8: Dead Sea**

Meals: B, L, D

Depart Wadi Rum this morning, heading north along the Jordanian/Israeli border to the Dead Sea – the lowest point on earth. Many travellers come to bathe in these unique waters and the high salt content and mineral-rich mud are said to bring many health benefits. After lunch, you are free to enjoy the delights of the Dead Sea, bathing in its super-buoyant waters, or perhaps simply relax in your hotel room before dinner.

**Destination Information**

**Dead Sea** - This landlocked salt lake is located in the Jordan Rift Valley and sits on the border between Jordan and Israel. At 304 metres deep, rain and surface water flows into the Dead Sea, but apart from evaporation, the water has no escape. The continuous evaporation in combination with the high salt content means that for over 65,000 years, the salinity levels of the Dead Sea have been ever increasing.

**Day 9: Jordan - Te Aviv**

Meals: B, L, D

After breakfast you will drive to Tel Aviv for your tour of Israel and Palestine. Relax and settle in ahead of the welcome dinner and briefing. This trendy Mediterranean port city is both ancient and cosmopolitan, boasting famous architecture, endless beaches, world-class cuisine and a collection of UNESCO-recognised buildings.

**Day 10: Jaffa, Caesarea and Mt Carmel**

Meals: B, L, D

Begin your explorations with a walk through the beautiful and historic district of Jaffa, on the edge of Tel Aviv. This historic and charming old town is famed for its various legendary associations and biblical stories.

Drive to Caesarea Maritima to view the fascinating ancient and medieval ruins of this coastal city. Visit the double aqueduct and the restored Roman theatre with its stunning Mediterranean views before continuing to the Crusader fortifications to admire the imposing thirteenth-century defences.

Drive 40 minutes to the slopes of Mount Carmel to meet the Druze ethnoreligious community. The unique Druze faith incorporates aspects of many different religions, including but not limited to Christian, Islamic and Buddhist traditions. Explore a local bazaar and enjoy a local lunch before a short drive to the viewpoint at Mukraqa, a viewpoint atop Mt. Carmel, to see the Carmelite Monastery of St. Elijah.

Finish the day with dinner in Nazareth, the childhood town of Jesus and our base for the next two nights.

### Destination Information

**Tel Aviv** - This trendy Mediterranean port city is both ancient and cosmopolitan, boasting famous architecture, endless beaches, world-class cuisine and a collection of UNESCO-recognised buildings. There are many districts that make up Tel Aviv, including historic Jaffa.

**Jaffa** - Reputedly founded by Japheth, son of Noah, Jaffa is also recorded as the site where Jonah attempted to escape God's mission and where the apostle Peter raised the widow Dorcas from the dead. Some Greek traditions have it as the site where Perseus rescued the chained Andromeda from the sea monster.

**Caesarea** – Originally a Phoenician colony, this area was rebuilt under the patronage of the Roman Empire and renamed to Caesarea, after the Emperor Augustus Caesar. This city later became the capital of the Roman province of Judaea and was also an important centre of Christianity. Caesarea is best known however for its harbour, after excavations in the 1970s and 1980s helped it claim international attention as a marvel of the ancient world.

### Day 11: Nazareth – Sea of Galilee - Acre

Meals: B, L, D

Head to Kibbutz Degania Bet, an expansion of Israel's very first Kibbutz (Degania Alef). Tour the community and learn about the polarising Kibbutz movement, originally conceptualised as a utopian agrarian community in the early 20th century.

Continue to Tabgha on the northern shores of the Sea of Galilee, held to be the site of the miracle of the Feeding of the Five Thousand. Visit the Church of the Multiplication of the Loaves and Fishes, home to some of the finest 5th century mosaics in Israel.

Drive 10 minutes east along the shore to Capernaum to visit the archaeological remains of the 3rd-4th century synagogue, built on the site where Jesus is believed to have performed many miracles, including the raising of Jairus' daughter from the dead. Explore the ruins of its white limestone halls and look out for impressive architectural reliefs and decorative Corinthian capitals. Walk 30 metres to the south to visit the excavations of the House of St Peter, visible through the glass floor of the modern church which has been built over them.

From here, a short drive brings you to the Mount of Beatitudes, the site of the Sermon on the Mount, as told in the Gospel according to Matthew. Admire the view over the Galilee region before lunch. Head west to Acre (Hebrew name Akko) to visit the Crusader Fortress here before dinner. Return to Nazareth.

### Destination Information

**Tabgha** – Considered to be the site of the Bible miracle of the 'multiplication of loaves and fishes', now home to a church boasting beautiful 5th-century mosaics of peacocks, flamingos, doves, swans, flowers - and of course the famous loaves and fish.

**Acre (Akko)** – The Knights Hospitaller held Acre from 1104 until 1187, briefly lost it to Saladin, and reclaimed it in 1191 with the help of Richard the Lionheart.

During the First Kingdom, it was a major source of wealth, and after the Knights Templar lost Jerusalem, Acre became the capital of the Second Crusader Kingdom.

---

**Day 12: Christ's Baptism Site – Jericho – Floating in the Dead Sea**

Meals: B, L, D

Explore Nazareth's famous Church of the Annunciation, believed to be where Gabriel first appeared to Mary.

Afterwards, enjoy a scenic two-hour drive through the Jordan River Valley to Qasr El Yahud. Believed to be the original site of Christ's baptism by John, this is one of the three most significant Christian pilgrimage sites in the world. The site is located in the West Bank and administered by the Israeli Ministry of Tourism.

Continue to the city of Jericho, administered by the Palestinian Authority, for a cable car journey to the Quarantal Monastery. The monastery clings to the cliff face of the Mount of Temptation, considered to be the site of the Devil's third and final attempt to tempt Jesus during his forty-day fast. The cable car journey across the valley takes seven minutes, pausing halfway for you to enjoy the panoramic view over the region.

Later, continue to the Dead Sea for an unforgettable experience – floating at leisure in its super-buoyant, salt-rich waters.

---

**Day 13: Masada**

Meals: B, L, D

Drive one hour to the impregnable mountain of Masada, ascending to the summit by cable car. Visit the archaeological remains of the fortress built by King Herod the Great c. 37 BC. Hear the story of the Siege of Masada in 73-74 AD – the fateful and controversial last stand of the Jews against Rome in the First Jewish-Roman War, as recorded by Josephus.

Continue to Qumran, the site where the ancient religious texts known as the Dead Sea Scrolls were discovered by shepherds in the 1940s. From here, drive on to Bethlehem, re-entering Palestinian-administered territory. Enjoy a Palestinian dancing show during dinner this evening (group size permitting) and stay in Bethlehem overnight.

---

**Day 14: Bethlehem & Jerusalem**

Meals: B, L, D

This morning visit the UNESCO-listed Church of the Nativity in Bethlehem, birthplace of Jesus and one of the most holy and significant Christian sites in the world. Enter via the tiny Door of Humility (made smaller by Crusaders to prevent their enemies riding in on horseback) and descend the stairs to the Grotto of the Nativity – atmospherically lit by lanterns and marked by a 14-pointed silver star.

Continue to Jerusalem to visit the famous Western Wall, an iconic site in the Holy Land. The wall is the last remnant of the original Temple Mount retaining wall, which supported the First and Second Temples of Jerusalem. Head underground to visit Jerusalem's Western Wall Tunnels (also known as the Wailing Wall) to view the original stonework from the period of King Herod the Great. Then, walk along the points of the Stations of the Cross to the Church of the Holy Sepulchre, where Jesus is said to have been crucified and resurrected.

Continue to Temple Mount itself, sacred to Jews, Christians and Muslims, where you will find the Dome of the Rock and Al Aksa Mosque.

---

**Day 15: Jerusalem**

Meals: B, L, D

Head outside the Old City to Mount Zion to visit the Cenacle (the room of the Last Supper), King David's Tomb and the Abbey of the Dormition. After lunch, drive to the Mount of Olives, a site of much significance in both the Old and New Testaments – not least as the site of Christ's Ascension. Visit the Pater Noster Church and the Church of the Ascension and admire the view over Jerusalem before walking down into Josaphat Valley to the Garden of Gethsemane, site of Christ's arrest, to admire its ancient olive trees.

End your tour with an authentic Shabbat dinner experience, hosted and prepared by a local rabbi. This fascinating experience will help you to gain an understanding of Jerusalem's Orthodox Jewish community and gain an insight into their lives.

*Please note that there is a lot of walking today, though this will be at a leisurely pace. Please watch your footing whilst walking down the Mount of Olives, and ensure you are wearing sensible footwear.*

**Destination Information**

**Mount of Olives** – An impressive viewpoint over Jerusalem's Old City, the Mount of Olives rises more than 800 metres above Jerusalem and takes its name from the endless olive groves that once covered the land.

**Garden of Gethsemane** - At the foothills of the Mount of Olives, the Garden of Gethsemane (translates to 'olive oil press') has centuries-old olive trees spread throughout the garden.

---

**Day 16-17: Depart Israel**

Meals: B

Transfer approximately 50 minutes from Jerusalem to Ben Gurion airport for your onward flight.

### EATING IN JORDAN AND ISRAEL:

---

Jordanian cuisine is wonderfully rich and flavourful, with the inspiration for much of its cuisine dating back hundreds of years when Jordan was a vital stage on the spice routes from China and India. Hearty dishes such as mansaf (lamb, rice and rehydrated yoghurt) fragrant zarb (succulent chicken, herbs and vegetables cooked in a pot beneath the desert sands in true Bedouin style), baba ghanoush (grilled aubergines with fresh parsley and pomegranate molasses) fresh hummus, olives and endless varieties of dates all contribute to the wonderful cuisine to be found here. The city of Amman has a particular history of offering sanctuary to various displaced groups from neighbouring countries, and has subsequently developed a distinctly multicultural culinary scene, fusing elements of cuisine from all corners of the Middle East.

Israeli food offers you a wonderful culinary delight. With various food choices like Pita bread, Hummus, Kebabs and Shwarmas, it makes for a difficult choice but guaranteed to leave long lasting taste. Israel has many delicacies, and a traditional meal consists of hummus, small plates of a variety of salads and warm pita bread. Mujaddara is a dish of cooked lentils with rice and sautéed onions.

Whilst we always encourage our guests to try the local cuisine, you will have opportunities during your tour to eat Western food. Those with dietary requirements will be very well catered to in Jordan and Israel - just make sure to inform your booking agent of any specific requirements well in advance of your trip.

**WATER:** In Jordan, most tap water is considered potable but quality/taste may vary. Please ensure you have bottled water with you at all times and remember to use the bottled water supplied or your own bottle. Tap water is usually potable in Israel.

Your itinerary has been carefully crafted to introduce you to a range of local dishes and we hope that you enjoy the culinary adventure ahead. All meals (excluding drinks) are included in our fully inclusive group tours from dinner on the day of your groups' arrival until breakfast on your day of departure.

**PLEASE INFORM US OF ANY ALLERGIES AND/OR SPECIAL DIETARY REQUIREMENTS  
AT TIME OF BOOKING**

**ALCOHOL IN JORDAN:**

---

Please note that alcohol is not provided at your hotels and restaurants, however you are permitted to bring alcohol to your rooms. Keep in mind that Jordan is a more conservative country than you may be used to and it is highly frowned upon to show public displays of drunkenness.

**TRANSPORT:**

---

**Coaches:** Coaches with air conditioning are used on our group tours for city short excursions to the countryside and longer transfers between destinations. Roads in Jordan and Israel have generally been improved over recent years, but please be aware traffic and/or weather conditions may extend driving times. There may be sections of road where the surface may be comparatively bumpy, but our drivers will do their utmost to lessen the impact.

**4WD:** Due to Wadi Rum's remote location and difficult terrain, you will travel in a fleet of 4WDs. Water will be provided and you will experience the thrill of venturing through the desert in an all-terrain vehicle.

**TIPPING POLICY:**

---

Tipping while on holiday is common in most parts of the world and the Middle East is no exception. However, it is not always clear who it is appropriate to tip and how much. Furthermore, travellers may not have the right amounts of cash available at the right time. In order to avoid any inconvenience Wendy Wu Tours operates a tipping policy where a stated amount is given to your national escort at the beginning of your tour and tips are disbursed amongst your main service providers (for example local guides and drivers) throughout your tour.

The amount is designed to be at a reasonable level for travellers while being fair to the local people and includes a gratuity for the national escort. Any other tipping, such as tips for bathroom attendants or hotel porters that are taking luggage to your room, is at your discretion based on satisfaction of services received, as are gratuities for additional requested special services.

We generally find that most customers appreciate the convenience of our tipping policy, but we do recognize that it may not suit everyone. However, as this is a group tour, we ask that everyone follows the same protocol to be fair to other group members.

#### **PORTERAGE:**

---

Please be aware that portering is not included on our tours in Jordan. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

#### **ACCOMMODATION:**

---

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. Hotels used in Jordan and Israel are generally rated as local four-star standard. All group tour hotels have private western bathroom facilities, air conditioning, TV and telephone. You will also stay in a desert camp in Wadi Rum, with electricity and an en-suite bathroom.

Plumbing and electricity supplies can be erratic and occasionally the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort/Local Guide. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs. Please note that double bed requests can be made at time of booking but can't be guaranteed.

#### **CULTURAL DIFFERENCE:**

---

Jordanian and Israel society and culture are built on intricate social etiquette and customs. As foreigners, we are not expected to be knowledgeable about all etiquette, but it will make your time in Israel and Jordan more enjoyable if you are respectful of local customs. Some examples of scenarios you may encounter are, whilst Muslim women's clothing often covers their legs, arms, and hair, Western women are not subject to these customs. However, very revealing clothing is discouraged, and dressing conservatively around the old part of Amman and outside of the cities advisable for both men and women. Furthermore, women do not need to cover their heads or tie their hair. T-shirts are also fine.

#### **CLIMBING STEPS:**

---

Sightseeing at a lot of sites of interest involves climbing quite a number of steps. The steps tend to be quite large, not level and sometimes without handrails.

You sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside. People with knee or hip injuries, who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

### **LUGGAGE:**

---

All travellers are limited to two items of luggage each: a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of five kilograms. It is essential that your luggage is lockable. Please note that authorities will only allow bottles onto the aircraft if they have been checked in as main baggage. Bottles in hand luggage may be confiscated.

### **EXCHANGING CASH:**

---

The unit of currency in Jordan is the Jordanian Dinar and in Israel New Israeli Shekel. We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited. Try and keep some small notes and coins on you, as on street stalls and in small shops they may not have the change to break up a high denomination note. ATMs are common across Jordan and Israel, and we recommend using an ATM inside a bank where possible. Most major credit cards are widely accepted across the continent, though please bear in mind the charges of your provider. Debit cards are also widely accepted but may have a limit to the amount of cash you can withdraw – consult your bank about this before travelling.

### **PERSONAL EXPENSES AND OPTIONAL TOURINGS:**

---

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you.

Optional Tours - May be offered in each city you visit during your tour. These are not included in the standard itinerary and will only be available if time permits and if seats are available.

Please ensure you have additional funds available if you feel you may wish to participate in any extra activities. Each option will be arranged locally by your National Escort/Local Guide, participation and tipping for optional excursions is completely at your discretion.

### **VACCINATIONS AND YOUR HEALTH:**

---

We recommend that you contact either your Doctor or Health centre for advice on vaccinations and travel health. Safetravel has a comprehensive website that you may also find useful [www.safetravel.govt.nz](http://www.safetravel.govt.nz)

### BEFORE YOU LEAVE:

---

We strongly recommend registering your travel plans with [www.safetravel.govt.nz](http://www.safetravel.govt.nz) as in the event of an emergency, New Zealand Consular assistance will be more readily available.

Up until the day you travel, it is vital you keep up to date and familiarised with the entry requirements as these can change at short notice. You are personally responsible for completing any entry forms, conducting any covid tests (if necessary), etc and adhering to countries' specific entry requirements.

You can also access the New Zealand Government's travel advisory service for up-to-date information about your destination on the same website.

### AFTER YOUR BOOKING:

---

Once you have booked with Wendy Wu Tours, you will receive a confirmation along with a link to our website where you can find your visa information (if applicable) and other important information. Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure.

### ITINERARY CHANGES:

---

It is our intention to adhere to the day-to-day itinerary as printed; however, the order of events or sightseeing may change as we look to improve our tours or as local conditions dictate; in these circumstances we will make the best possible arrangements whilst maintaining the integrity of your trip.
